

Hyland for Guidewire ClaimCenter

Redefine insurance claims with a modern enterprise content solution

In a rapidly changing insurance market, innovation is essential — and the claims experience is the ultimate test.

Hyland for Guidewire ClaimCenter accelerates claims transformation with a ready-to-deploy integration between the Hyland Content Innovation Cloud™ (CIC) and ClaimCenter. Validated by the Ready for Guidewire program, this solution delivers powerful, cloud-native content management capabilities within the familiar ClaimCenter interface. Insurers can reduce the cost of building their own integration and speed implementation time while tapping into the unlimited potential of the scalable, AI-powered Content Innovation Cloud.

Benefits

Reduce the time, expense and complexity of a custom integration

Increase the speed and precision of claims — enhancing customer satisfaction

Leverage the flexibility and scalability of a cloud-native enterprise content platform

Future-proof your claims processes with optional AI-powered intelligent document processing (IDP) and AI agents

Key features

- Easily query and retrieve claims documents from a flexible, cloud-native repository
- View images and document properties directly within ClaimCenter
- Quickly upload documents, images and videos to the Content Innovation Cloud or Hyland OnBase™
- Connect OnBase (on-prem or hosted) via Content Federation Service
- Automate key workflow tasks for efficient document handling
- Add AI-powered IDP and AI agents to improve speed and precision across workflows

What is Content Federation Service?

A secure and scalable way to connect OnBase (on-prem or hosted) to the Content Innovation Cloud and Guidewire applications — **no migration required**.

CFS goes beyond federated search with deeper integrations and next-level automation. Its functionality is based on data federation principles — a modern integration technique that offers a unified view of distributed content without physically moving or duplicating data.

The next era of insurance

Hyland for Guidewire ClaimCenter transforms claims management for forward-looking insurers — empowering seamless, customer-first experiences.
