DINING PLAN OPTIONS

Meal plans are an important part of a student's lifestyle, whether you are an incoming first-year student or a returning upperclassman. Our goal is to match each and every student with the perfect meal plan that meets and exceeds your expectations. Unused meals roll over from week to week, giving students flexibility to use more or less meals as their schedule changes, and peace of mind knowing their meal plan will last them through the entire semester.

PIO 19 MEAL PLAN \$3,123 per semester \$35 Dining Dollars 19 meals per week Who best fits into this plan? Students who live on campus and eat two or three meals plus snacks each day.	PIO 14 MEAL PLAN \$3,015 per semester \$75 Dining Dollars 14 meals per week Who best fits into this plan? Students who prefer that we do most of the cooking for them! No grocery store trips, no cooking, or messy dishes. We're your home kitchen!
PIO 10 MEAL PLAN \$2,967 per semester \$200 Dining Dollars 10 meals per week Who best fits into this plan? Students who typically eat at least one to two full meals per day on campus. The Pio 10 Plan would also fit someone who likes to eat more meals on campus during the week and fewer meals on the weekend.	PIO 50/50 MEAL PLAN \$589 per semester \$50 Dining Dollars 50 meals for the semester Who best fits into this plan? Commuters, apartment dwellers, and faculty/staff.

As a default, freshmen are automatically placed on the Pio 19 Plan with the option to select down to the Pio 14 plan.

You can add extra dollars to your account at any time online at mariettadining.nutrislice.com or in the Dining Services office on the upper level of the Gilman Student Center.

TERMS AND CONDITIONS
