## MADE BY EXPERTS FOR THE EXPERTS

And homeowners who prefer expert performance in wood stain

### EXPERT PERFORMANCE

with our Multi-Surface Stain & Sealer

This ultra-low VOC, deep penetrating *Conditioning Oil Formula* with proprietary blends of drying and non-drying oils and premium pigments provide professional-grade protection with high-solids coverage and color quality.

EXPERT Stain & Seal sinks deep into the top layers of wood to seal non-drying oils and pigments within to prevent color loss, UV damage, water absorption, cupping, warping, and cracking. And, as a self-leveling, stain it expertly applies with no drips, runs, or lap marks, so it won't chip, crack or peel and can be re-applied without stripping or sanding.

EXPERT Stain & Seal offers a Lifetime Warranty,† guaranteed only through The EXPERT 3-STEP System, an easy-to-follow wood care regime. Maintain a clean oil-stained, and sealed surface with our EXPERT Clean & Bright Eco and Wood Cleaners, followed by our recommended re-coat intervals as outlined on EXPERT Stain & Seal's label.

Enjoy the benefit of not needing to strip or sand between re-applications. EXPERT Stain & Seal, made by Experts for experts and homeowners who expect expert performance.

Available in 19 colors across three finishes: **TRANSPARENT, SEMI-TRANSPARENT & SEMI-SOLID STAIN**

† Must follow The EXPERT 3-Step System to validate the Limited Lifetime Warranty. Call 1-833-4-THE-EXPERT for full warranty details or visit EXPERTWoodCare.com
