Sermon: It's the Little Things

Summary: The history books remember the great, big, showy things that people do. But in our own lives, it's often the little things done consistently and with love that we hold on to. In today's passage Jesus highlights the importance of these things as well.

4 ?s:

- Where do you feel like you only have a little bit to offer?
- What does it look like to give that to God and trust Him for the results?
- Where have you noticed yourself trying to plant a whole tree?
- With everything happening right now, what is something small you can do?

Application Options:

- Show grace to yourself and to others.
- Bring someone a meal.
- Call someone to make sure they're OK.
- Help clean up something in your neighborhood.
- Listen more. Post less.
- Share the love and peace of Jesus!!
