Fall Kick-Off Sunday was amazing! We celebrated a baptism, introduced Sunday School with two skits, and listened to an amazing choir! Then we topped it off with great food, ice cream and lots of outdoor activities! We are ready for FALL!

ANNOUNCEMENTS

The Single Ladies celebrated Sharon Vander Wilt's birthday last week!

Good morning from Nicaragua!

We want to extend our heartfelt thanks to the Peace Reformed family for partnering with us in our work here in Nicaragua. We are both humbled and grateful to receive your support. We are now back in Nicaragua and hard at work. Andy had the opportunity to attend a conference on Biblical worldview in Panama in July, and has spent the last two months developing a curriculum for local pastors based upon what he learned there. We believe a worldview founded upon the Word is absolutely foundational to not only salvation and strong churches, but also to transforming communities. He will be leading the first training with this material next week (September 15-19) in the village of SangSang along the Rio Coco with a group of indigenous Miskito pastors. In addition to pastoral training, we will also be leading nightly evangelism services, holding events for young women, and providing free legal services to people in the community. Andrea is back to teaching at Nicaragua Christian Academy and is excited to be teaching and connecting with students once again.

Thanks again for supporting us as we continue God's work here. We are honored to be your hands and feet ministering to the people of Managua. If you ever have any questions please just get in touch. Blessings to all.

Andy and Andrea Baker
