Summary: In movies, an Easter egg is a hidden detail that points to something else. If you look closely enough you can catch these inside references placed there by the writers and directors. We can see similar Easter eggs hidden throughout Scripture that point to the suffering, death, and resurrection of Jesus. In these weeks leading up to Easter, we'll be hunting through the Old Testament for some Easter Eggs in common stories. We're beginning this morning with the story of Cain and Abel in Genesis 5.

4 ?s:

- How was Abel's situation like Jesus'? How was it different?
- If you put yourself in Jesus' (or Abel's) position, how might you have responded?
- What experience have you had in trying to respond like Jesus in your own life situations?
- How would our world be different if everyone followed the path of Jesus rather than the path of Cain in the face of our frustrations, angers, and jealous moments?
