Day 1: Board your deluxe motorcoach this morning and travel to Canton, OH and the McKinley Presidential Library & Museum. This one-of-a-kind presidential library incorporates a history museum, interactive science center, planetarium, and research library into a single adventure through our past, present and future. Spend the morning exploring the museum, and then visit the tomb and memorial to pay respects to our 25th President and his family. Then enjoy a light lunch at Canton's oldest and finest restaurant, Bender's Tavern located in the historic district of downtown Canton.

After lunch depart to the National First Ladies Library and Museum and National Historic Site. This museum showcases the lives and history of our First Ladies, and is the only museum of its kind in the United States. This site consists of two properties, the home of First Lady Ida Saxton-McKinley and the Visitor Center, and shines a light on the outstanding accomplishments of the iconic ladies who have woven themselves into the fabric of our great nation. Depart to Wilmot and check in at our lodging for the night, the Inn at Amish Door. Get settled in your room and then stroll over to the Amish Door Village bakery and market gift shop, featuring the best locally produced and distributed goods.

Tonight, we'll enjoy a delicious plated dinner at the Amish Door's event center followed by our evening show, the "Salute to Old Glory" flag show by Vane Scott II. This fun and energetic one man show will take you back in time showcasing and viewing the many flags our country had before our beloved Stars and Bars that we have now. The show was created by Vane's father and it has been performed for audiences around the world. Vane regales us with fascinating and often humorous stories as he tells us the story of how our flag came to be. Return to the Inn for a good night's rest as tomorrow is another busy day! **(L, D)**

Day 2: A hot breakfast at the hotel will start your day, then enjoy a visit at the Millersburg Victorian House Mansion Museum, which is showcased in Ohio's 250th trail celebration. Listed on the National Register of Historic Places, you'll explore the 28 room Queen Anne style Victorian Mansion that was built in 1901 by L. H. Brightman, a wealthy industrialist from Cleveland. The home serves as a museum of Victoriana and collection of Holmes County history. Then stroll next door to visit the Millersburg Glass Museum, the only public collection in the world of Millersburg Glass. You'll find 400 very rare masterpieces of the glass that was only produced from 1909 to 1912.

Next enjoy a guided tour at the David Warther Museum, where David will present the history of the sailing ship, carved in ivory and highlighting famous American ships. David is the grandson of the World's Master Carver, Mooney Warther, and is a master in his own right. See how David creates these priceless works of art. After our busy morning you're sure to be hungry for the delicious buffet meal that we'll enjoy at Der Dutchman Restaurant in Walnut Creek. And following lunch take your seat at Amish Country Theatre for the Dave Banks Big Band USO show, "America Remembers." Enjoy over six decades of live,

17 piece big band orchestra music, headed by Dave Banks on trumpet. This performance showcases the USO style shows performed during wartime years along with a special salute to our veterans. All too soon, it's time to begin our journey home, taking with us fond memories of our "America's 250th Celebration" tour. **(B, L)**
