A STEP CLOSER TO HOME

A VISION TAKING ROOT IN KITWANGA

Dear Friends and Supporters,

We are excited to share an important update on SULADS CANADA's long-held vision to establish a welcoming space where First Nations people can truly feel at home. While our initial plans to rent a church or building did not materialize as hoped, our commitment to this dream remains unwavering.

Recently, we were blessed with an opportunity to discuss future possibilities with Pastor Brian Wahl Church Ministries Director British Columbia and Pastor Paul Llewellyn, President of Seventh-Day Adventist Church Canada.

These conversations have reinvigorated our mission and brought new hope to our efforts.

WHY IT MATTERS

Our work in places like Kitwanga and surrounding Gitxsan Nation is built on long-standing relationship, trust, and the love of our Creator. We walk with families in times of sorrow, bring songs and smile during holidays, support youth through encouragement, healing and faith gatherings and hope-filled messages. Having a permanent base will strengthen these efforts, giving us:

- A space to host events and workshops.
- A place of prayer, refuge, and connection for community members.
- A place for volunteers serving people.

HOW YOU CAN BE INVOLVED

We would like you to join us in prayer and a partnership as we seek to make this vision a reality. Your support whether through financial giving, volunteering, or sharing our mission with others- helps us stay rooted in purpose.

If you'd like to learn more about the property or how to get involved, please reach out to us through our website or contact our team directly. We don't need a grand building - just a space where people know they belong.
