Lives**

Dear Friends and Sponsor

We are thrilled to introduce an inspiring new community project that's sowing more than just seeds - it's cultivating hope, healing and a healthier future for all of us. Through the "Raised Bed Garden Initiative, we aim to empower individuals and families to grow their own food, reconnect with nature, and nurture a drug-and alcohol-free lifestyle. This is more than gardening -it's a movement for change.

Support Us

"You can make a difference — your support matters.

Whether it's through a donation, keeping us in your thoughts and prayers, or giving your time as a volunteer, every act of kindness helps. Together, we can create meaningful change in our communities and beyond."

Reaching Hearts Transforming Lives

Building the Next Generation of Leaders

How You Can Get Involved?

There are many ways you can join us in ministry:

- Volunteer for upcoming missions and outreach.
- Partner with us in prayer.
- Donate to support feeding programmes, youth development, and outreach projects
- Spread the word in your church or social networks.

**"Join us and be part of
something meaningful."**

Sharing God's Love at Smithers British Columbia

SULADS Canada, are deeply committed to reaching the people with the love and compassion of JESUS CHRIST. Rooted in faith and guided by prayer, we see God at work in every aspect of our ministry - through youth programmes, and hands-on community outreach.

Our Vision is to uplift lives by sharing the full meaning of God's Word, helping individuals and families experience the transformative power of HIS love.

Wyoming Pathfinder Camporee

SULADS Canada is working closely with local churches and communities to support youth in joining and staying active in their Pathfinder clubs. We believe this ministry is the key in nurturing young missionaries and future leaders.

Let's empower our youth to stand firm in their faith and become instruments of God's love.

Ongoing Ministry and Youth Engagement

SULADS Canada continues to carry out programmes that help young people grow in faith and service, including:

- Bible Discovery and Devotion Classes
- Youth mentoring and support circles
- Health, lifestyle, and wholistic living workshops
- Community gardening and healing activities.

**These initiatives not only teach life skills
but also connect participants with the
Creator and with each other,
strengthening their sense of purpose
and identity.**
