## Our Story

When our family lost Madelyn in 1992, her daughter Lisa kept Madelyn's urn in the passenger seat of her car, finding comfort in having her mother close by. From this, the idea of the Keepsake Pendant was born: a practical and meaningful way to keep loved ones with us wherever we go. At Madelyn Co., our mission has always been to help others hold comfort in their hands and find peace in their hearts.

## Filigree Collection

The intricacy of filigree in a piece of jewelry inherently creates a look of elegance and style. Our team at Madelyn Co. inspects each order and individually wraps each item to ensure the highest quality and safe arrival. As is the nature of handcrafted jewelry, the finishes may vary from piece to piece.

# Titanium & Stainless Steel

Titanium Keepsake Pendants and Bracelets offer not only striking design, but amazing wearability. As lightweight as they are lustrous, these beautiful pieces are crafted from highly durable titanium. Titanium is non-magnetic and hypo-allergenic, which makes this unique material ideal for everyday wear.

## Filling and Sealing Instructions\*

### Jewelry:

1. Remove screw/bale/cap from pendant.
2. Use funnel to fill to 90% capacity.
3. Thread screw/bale/cap back into pendant **without** glue. Make sure the pendant is not overfilled and properly aligned.
4. Unscrew slightly, so a few threads are exposed but the screw/bale/cap is held in place.
5. Use toothpick provided to dot glue onto exposed threads, and quickly turn back into alignment.
6. Wipe any excess glue (if necessary) and wait 24 hours to ensure bond before wearing.

### Urns:

1. Remove screw and cap from bottom of urn.
2. Fill baggie (provided) with small amount of cremated remains and close securely. Place the baggie into the urn.
3. Ensure that the keepsake urn and bottom cap are clean and fit properly back into place with the screw.
4. Before the screw is tight, use a small amount of glue on the toothpick and wipe on exposed threads.
5. Quickly turn the screw back in until it's flush and wipe away any excess glue.
