2026 CEF Member Presence at COP31

October 29, 2026 | V2

CEF Members Internal Use Only – Do Not Cite or Circulate

This document allows CEF member organizations to share plans and insights for COP31 with peers.

We will continue to update this document in the run-up to COP31. The live link provided will always lead you to the latest document version. If your company is hosting or organizing an event that CEF peers may attend, please provide details as you would like them to appear in this shared document, including any necessary links or description, to Mike Rama at mike@corporateecoforum.com.
