

## ...— NCCW STEWARDSHIP PRAYER —...

Heavenly Father, It is good to be a part of the National Council of Catholic Women. My association with the National Council has brought many blessings and challenges. It is good to be united with Catholic women from throughout the United States and to fulfill our mission together.

In order for that to happen, I am called to be the best member that I can be so that the National Council can be the best Council it can be. If I do the work of Council then the National Council will be about the work it is called to do. By giving of my time, talent and treasure to help NCCW, it can be an example of good stewardship. When I pray as a Council member, the National Council prays. When I reach out to help others with the programs and services that Council provides, the National Council is reaching out to help others.

The National Council of Catholic Women will be a joy-filled, loving, fearless, faithful and dedicated Council when I, who help make NCCW what it is, am filled with the same things. If I want the National Council to be the best it can be, then I will be the best I can be.

Help me, dear Lord, to be a good member of NCCW, so that NCCW will continue fulfilling its mission to support, empower, and educate all Catholic women in spirituality, leadership and service. Help the National Council of Catholic Women continue to meet the challenges of today through living the Gospel Message. That will only happen when I fulfill my responsibility of being the best member of NCCW that I can be and I humbly ask your help in this. Through Christ our Lord, Amen.
