

APPRENTICESHIP FOR PAINTER-DECORATORS, PAINTER-INDUSTRIAL COATING AND LINING APPLICATION SPECIALISTS, DRYWALL FINISHERS, AND GLAZIERS

Applicant:

To become eligible for apprenticeship, you must find employment with a participating employer and receive from that employer a *Letter of Intent to Hire*. This *Letter* permits the North Central Illinois Finishing Trades Institute (NCIFTI) to enroll you and for you to begin your participation in the U.S. Department of Labor-registered apprenticeship program offered by NCIFTI. You can view a list of participating employers (contractors) for each trade area at <https://pdc30.com/directory>.

Once the above conditions are met, you will be required to become a member of Painters District Council No. 30 (PDC 30), where you will be assigned a local union affiliation, in accordance with the collective bargaining agreement with the participating employer, and complete and sign an Apprenticeship Agreement in accordance with the Standards of Apprenticeship. The union initiation cost for an apprentice is \$100.00 plus the first quarter of dues required at the time you become a union member. Dues for apprentices can range from \$125.00 to \$160.00 per quarter. A current union card, issued when dues are processed, is required for you to work as an apprentice.

Your attendance of classes conducted at the NCIFTI is a mandatory condition of employment as an apprentice. The term of apprenticeship shall be a minimum of 3 years of reasonably continuous employment, a minimum of 4650 hours of on-the-job learning, and successful completion of 12 Curriculum Modules of Related Technical Instruction. Classes start every January, April, July, and October. Painter-Decorator, Drywall Finisher, and Glazier apprentices are assigned one day every other week to attend technical instruction, and the time spent on this day is unpaid. Classes are held year round. Apprentices in the Painter-Industrial Coating and Lining Application Specialist program attend four weeks of continuous training in the winter/early-spring months. Pay raises are every year and are predicated on class attendance and on-the-job hours. If you fail to complete classes within a module, you may be required to repeat the entire module, and excessive absences may result in dismissal, in which case you will become ineligible to work as an apprentice. It is your responsibility to notify FCIFTI of any address, phone number, and employment changes, and to record such changes with your local union.

Applicants who have been working in the industry prior to their application may apply for advanced placement in the program. These applicants will have their skills and knowledge evaluated by NCIFTI faculty, and credit may be granted for coursework. Advanced placement at any time during your program requires written confirmation from your employer that you have attained a particular level of skill, and will be paid the wage appropriate to that skill level, subject to verification by NCIFTI.

Applications will be active for two calendar years (24 months), after which time you must register your continued interest by reapplying. If you have any questions regarding apprenticeship, please call the school at 630-966-1451.

Stephen Lefaver
Director of Apprenticeship and Training

North Central Illinois Finishing Trades Institute

Painters District Council No. 30 1905 Sequoia Drive, Suite 101, Aurora, IL 60506 O 630.966.1451 F 630.966.1450 www.ncifti.edu

BECOMING AN APPRENTICE

Apprentice Applicant Qualifications

Apprenticeship applications will be made available throughout the year. For applications to be considered complete, documentation proving the age and education qualifications of the applicant is required.

- AGE: All applicants must be at least 18 years of age **except as noted below.*
- EDUCATION: All applicants must have proof of high school education, Diploma or a GED certificate. ***except as noted below.*
- All applicants shall be physically capable of performing the essential functions of the chosen trade without posing a direct threat to the health and safety of themselves or any other individuals, with reasonable accommodations.
- All applicants must have access to reliable transportation to attend on-the-job Learning and Related Technical Instruction.
- If Applicable: applicants must submit a DD-214 to verify military training and/or experience if they are a veteran and wish to receive consideration for such training/experience and/or VA benefits.

**An applicant who is seventeen (17) years of age and is participating in a school-to-work program or equivalent, and who otherwise meets all qualifications, may be deemed eligible for apprenticeship. Such an applicant must provide proof that a high school diploma or GED has been awarded and must be eighteen (18) years of age prior to being registered by the sponsoring employer.*

***An applicant who is unable to provide proof of high school education, Diploma or GED certificate will be required to successfully complete an aptitude test administered by the NCIFTI.*

Enrollment and Admissions

Applicants who meet the minimum qualifications and/or who have been deemed eligible for apprenticeship must find employment with a participating employer.

After the applicant has been hired by a participating employer, he or she must provide NCIFTI a *Letter of Intent to Hire* prior to enrollment in the program.

Once the above conditions are met – *an individual has been deemed eligible for apprenticeship and has secured employment with a participating employer, and the NCIFTI has received a Letter of Intent to Hire* – the applicant will be required to:

- (1) Become a member Painters District Council No. 30 (PDC 30) in accordance with PDC 30's collective bargaining agreement with the participating employer and...
- (2) Complete and sign an Apprenticeship Agreement in accordance with the Standards of Apprenticeship.

Once all the requirements above are met, the applicant will then be enrolled in the program, can be registered as an apprentice with the U.S. Department of Labor, and can begin attending classes at NCIFTI at the start of the next available quarter (Jan, Apr, Jul, or Oct).

To receive a digital copy of the program's Standards of Apprenticeship, you may request a copy by contacting Veronica Perez, at vperez@ncifti.edu, or in person or by phone (see contact information below).

To Apply

Submit completed application along with required supporting documents to:

Veronica Perez

by email: vperez@ncifti.edu

by fax: 630-966-1450

by mail:

North Central Illinois Finishing Trades Institute
1905 Sequoia Drive, Suite 101
Aurora, IL 60506

Any apprentice or applicant for apprenticeship who believes he/she has been or is being discriminated against on the basis of race, color, religion, national origin, sex, sexual orientation, age (40 or older), genetic information, or disability with regard to apprenticeship may personally or through an authorized representative, file a written complaint with the Registration Agency US/DOL/OA Ronda Kliman, Apprenticeship & Training Program Specialist, 308 West State St. Ste. 403. Rockford IL 61101.

Advanced Placements

Applicants may apply for advanced placement in the apprenticeship program. These applicants will have their skills and knowledge evaluated by NCIFTI Faculty. Once the Faculty has determined the level of advanced standing, applicants will receive credit for the coursework based on previous experience.

The Program

To develop a workforce of the highest quality, NCIFTI seeks to prepare a craftsman who...

- *is proficient in the trade,*
- *understands and respects the nature of the competitive marketplace,*
- *maintains competency through continual education, and*
- *adapts willingly to innovations and social changes affecting the industry.*

The NCIFTI develops thoughtful curriculum and provides conscientious instruction, maximizes the benefits of joint governance between industry employers and union leaders, and values the program's integral partnership with PDC 30 – the union representing workers in the painting and decorating, drywall finishing, and glazing trades. Apprentices develop the personal agency and the competency to recognize the forces that affect their lives as working people.

The NCIFTI is a state-of-the-art training facility that allows skills training to take place in a controlled setting that mimics on-the-job working conditions. Participants experience hands-on training that cannot be learned through manuals alone, training that allows apprentices to practice in simulated work settings that present the same challenges faced on the job.

A Focus on Competencies

Competency is *the ability to do something well or to a required standard*. By “competencies,” NCIFTI considers three things:

- For the craftsman trained through apprenticeship, **competencies are the skills and responsibilities a craftsman can claim** when they approach a contractor for employment.
- When referring to how much an individual craftsman's time on the job is worth, **competencies determine wage rates for a craftsman trained through apprenticeship.**
- For the programming offered by the NCIFTI, **competencies are outcome objectives, what the curriculum is meant to accomplish** for each major area of emphasis (basic safety, painting/decorating, drywall finishing, and glazing).

Requirements of the Program

The term of apprenticeship shall be a minimum of 3 years of reasonably continuous employment, a minimum of 4650 hours of On-the-Job learning and successful completion of 12 Curriculum Modules of Related Technical Instruction (RTI) at the NCIFTI.

Curriculum Modules & Related Technical Instruction (RTI)

Each apprenticeship program requires the successful completion of **3 CORE** curriculum Modules and **9 trade specific** curriculum Modules, for a total of **12 curriculum Modules**.

Apprentices are automatically enrolled and provided schedules for the appropriate curriculum modules as deemed fit by the NCIFTI according to the apprentice's progress through their program.

Each curriculum module for the Painter-Decorator, Drywall Finisher and Glazier programs is 40 hours in length and is conducted over 5 (8 hr) days and scheduled on a 3 month or quarterly cycle. New modules begin in January, April, July & October each year.

Each curriculum module for the Painter-Industrial Coating & Lining Application Specialist (CAS) is 40 hrs in length and is conducted over 5 consecutive (8 hr) days and scheduled on a monthly cycle during the months of December, January, February & March.

Each module schedule offers 5 (8 hr) regular class dates and 1 (8 hr) make-up date to achieve the required 40 hrs of RTI to successfully complete each module.

In order for apprentices to begin each module, they must have worked a required total amount

of hours from the point they began working in "covered employment" up to the start of each quarter.

The schedule and policies allow apprentices to attend correlating STAR's courses throughout their term of apprenticeship to complete the 20 Course Credits required for Core Curriculum Quarter 3 (Health & Safety).

Transfer Between Programs

Apprentices who are enrolled into one apprenticeship program and wish to transfer to another will only receive credit for Core Modules completed. The NCIFTI may grant credit for modules completed that are considered cross-training if applicable to the new program chosen.

Painters District Council No. 30

WAGE RATE SHEET: EFFECTIVE JANUARY 1, 2026 - MAY 31, 2026

Wage Rates are determined by three established Wage Zones, which correspond to the various local unions (Contract Types) that comprise PDC 30's jurisdiction. When a Bargaining Unit Employee works in any Zone, the Employee shall receive the higher of: (1) the hourly wage rate for the Zone in which the Employee's Local Union is chartered (the "Employee's Home Zone"), or (2) the hourly wage rate for the Zone where the work is being performed. The Combined Fringe Benefit Rate combines the fund contributions to be paid on each covered employee. PDC 30 Pension contributions are not required on behalf of Apprentices, therefore Combined Fringe Benefit Rates vary for Journey Workers & Apprentices. See Articles 9 & 10 of the CBA for more details.

	ZONE A	ZONE B	ZONE C		
Contract Type	Locals 97, 154, 448 & 1285	Local 607	Local 157	Local 209	Locals 465 & 467
Hourly Wages:					
Journey Workers:	\$54.30	\$47.15	\$42.40	\$42.40	\$42.40
Apprentices:					
1st Year (55%)	\$29.86	\$25.93	\$23.32	\$23.32	\$23.32
2nd Year (70%)	\$38.01	\$33.00	\$29.68	\$29.68	\$29.68
3rd year (80%)	\$43.44	\$37.72	\$33.92	\$33.92	\$33.92
Combined Fringe Benefit Rate:					
Journey Workers	\$31.13	\$31.26	\$29.95	\$29.95	\$29.95
Apprentices	\$21.28	\$26.82	\$24.36	\$22.88	\$23.96
Jurisdiction (By County):					
	<i>Dekalb, DuPage, Kane, Kendall, and McHenry</i>	<i>Boone, Jo Daviess, Lee, Ogle, Stephenson, and Winnebago</i>	<i>Bureau, Ford, Fulton, Hancock, Iroquois, Kankakee, LaSalle, Livingston, Marshall, Mason, McDonough, McLean, Peoria, Putnam, Schuyler, Stark, Tazewell, and Woodford</i>		

Foreperson: \$2.00/hour over scale
 General Foreperson: \$4.00/hour over scale
