JACQUELINE BROADBRIDGE Occupational Therapist

PROFESSIONAL QUALIFICATIONS AND AFFILIATIONS

- Current Registration with the Australian Health Practitioner Regulation Agency (AHPRA)
- Current Member Occupational Therapy Australia
- Bachelor of Applied Science (Occupational Therapy), Curtin University of Technology
- Graduate Certificate of Higher Education, Griffith University

AREAS OF EXPERTISE

Independent Occupational Therapy Assessments

Jacqueline has more than 30 years' experience in occupational rehabilitation, disability employment and workforce wellbeing and is able to provide credible Functional Capacity Assessment and Medicolegal Assessment. Jacqueline's experience includes addressing barriers to employment such as chronic pain and psychological sequelae and applying evidenced-based interventions. She is skilled in professional leadership, management, and customer/stakeholder engagement.

Lecturer in Occupational Therapy

Jacqueline has worked as a Lecturer in Occupational Therapy at Griffith University since 2013. In this role Jacqueline designs curriculum and assessment for students, honours supervision and teaching and learning grant projects.

She is also the current Convenor of the Allied Health Student Placement Sub Committee at Griffith University. Her achievements in this capacity include:

- Griffith Citation for Outstanding Contributions to Student Learning – Dean's Highly Commended Certificate (2021)
- Student Experience of Teaching Commendation (2021)
- Senior Fellow Higher Education Academy Award (2020)

STRENGTHS

- Extensive experience in occupational rehabilitation, disability employment and workforce wellbeing
- High level executive reporting, planning and research
- Staff training and development, coaching and induction
- National Award for contribution to knowledge management
- Australia Day Achievement Medallion (Award)
