A BI-MONTHLY PUBLICATION OF THE GREEN VALLEY SAHUARITA CHAMBER OF COMMERCE &amp; VISITOR CENTER

## Taste of the Valley

### SUMMER EDITION

Brought to you by the **Green Valley Sahuarita Chamber of Commerce** in partnership with **Meraki Solutions Group**

#### Welcome to Taste of the Valley... Summer Edition!

When the summer sun stretches across Southern Arizona and the snowbirds fly north, something special begins to simmer in the Valley; a season of flavor, connection, and community.

**Taste of the Valley...Summer Edition** is more than a dining guide. It's a celebration of the locally-owned Chamber member restaurants that nourish us year-round. The places where we gather with friends, share stories, and find comfort in good food and familiar faces. Whether it's your go-to taco spot, a tucked-away bakery, or a favorite

patio for summer cocktails, this guide was created to spotlight the rich diversity of our local dining scene and inspire you to explore something new (or rediscover an old favorite).

This summer, we're inviting you to dine with intention.

From **July 9 to August 31**, visit any of the participating Chamber Member restaurants featured in this guide. Snap a photo, share your experience using **#TasteTheValley**, and most importantly, **save your receipt**. Diners who submit receipts from participating restaurants (valued at \$15 or more) will be entered into a drawing to win a **\$100 gift certificate** to their favorite local Chamber Member restaurant.

Receipts submitted by July 31 at 4:00 PM will be entered into our July drawing on

August 1. Receipts submitted by August 28 at 4:00 PM will be entered into our August drawing on September 1.

This campaign is a gesture of gratitude from the Chamber. A way to recognize the businesses that keep our community strong and the people who continue to support them.

Summer tends to slow things down in the Valley, but we know that behind every open sign is a business still showing up, still serving, still creating, still contributing to the fabric of this region. **Taste of the Valley... Summer Edition** was created to spotlight that effort. To say: We see you. We appreciate you. And we're proud to stand behind you.

Whether you're a restaurant owner, a loyal customer, or someone exploring what makes our community special, this guide is

for you. A reminder that local business matters, and that our community thrives when we rally behind it.

From all of us at the Chamber: thank you for the work you do, the meals you serve, and the support you give. We're here for you this summer and all year long.

**Here's to good food, great people, and a summer full of local flavor.**

GOLF COURSES

**1) CANOA RANCH GOLF CLUB**

5800 S. Camino del Sol, is a great example of how the Southwestern desert can be transformed into a golfer's paradise without destroying the beauty of the surrounding native land.
