"Serving As We Would Be Served"

WELCOME

GREEN VALLEY

On behalf of the Green Valley Sahuarita Chamber of Commerce & Visitor Center, welcome to our Southern Arizona community!

Founded in 1964, Green Valley is a premier retirement community in Southern Arizona with a population of more than 20,000 full-time residents. Sahuarita was incorporated in 1994 and, with mindful planning around family and retirement communities, has grown to include more than 30,000 residents.

So, what's so special about our community to warrant so much growth? It's all about location! Green Valley and Sahuarita are just 20 miles south of downtown Tucson and 50 miles north of Nogales — the international border with Mexico. Interstate 19 serves as an easy connector to any attractions to the north or south, but there's also plenty of reasons to stay close and enjoy what our community has to offer.

Our weather allows everyone to enjoy the outdoors nearly 365 days a year. If you are into hiking, golf, swimming, tennis, pickleball, bicycling, birdwatching or simply enjoying a barbecue on the patio with your friends, there is no finer place to be. The trails of Madera Canyon are known for their world-class

RYAN BENNETT

birdwatching and hiking opportunities in the Santa Rita Mountains. The summit of the 9,453-foot Mount Wrightson provides beautiful 360-degree view of Southern Arizona. In addition, both communities include recreation and community centers that boast a wealth of fitness, educational, and entertainment activities.

Sahuarita is one of Arizona's fastest growing communities. In addition to its proximity to many major employers in Tucson like the University of Arizona, Davis-Monthan Air Force Base, and Raytheon Missile Systems, the town's thoughtful planning for growth and economic development have led to an influx of new businesses and employment opportunities in the community. The Sahuarita Advanced Manufacturing and Technology Center (SAMTEC) is a multi-tenant facility that provides flexible

high-tech space to local businesses. Northwest Medical Center Sahuarita is a brand new 18-bed neighborhood hospital that provides primary care and specialist clinics along with emergency services.

Green Valley and Sahuarita are fortunate to have two exceptional school districts. Sahuarita Unified School District is one of the finest in Arizona and includes 10 schools ranging from pre-school to 12th grade. Continental Elementary School District has served kindergarten through eighth-grade students in Green Valley since the early 1900s, making it one of the oldest school districts in the state.

More than all of this, Green Valley-Sahuarita is a community that cares. We are a community that looks out for each other, that invests in each other and that supports each other. We are a community that gives back and volunteers to provide services, activities and programs to build each other up. We are a community that believes in shopping local and supporting local businesses.

The Green Valley Sahuarita Chamber of Commerce is here to champion opportunities for business and our community to prosper. We are the voice of more than 400 member

businesses and it is our job to represent them to the public and our elected officials. The Board of Directors has developed a Strategic Plan to set the Chamber on a purposeful path for the next decade.

One of the focuses of the Strategic Plan is to invest in member businesses through our GVS Leads program. This new program is designed

to provide dedicated time to help business leaders work *on* their business and not just *in* their business. The GVS Leads program provides resources, tools, and access to experts in a variety of fields to members so that they can grow and develop their business. When members are able to do this, they are better able to serve our community. GVS Leads is the Chamber's answer

to fulfilling its mission of giving every member business, and others in our community, the opportunity for success.

Whether you are looking to visit or making us your new home, the Green Valley Sahuarita Chamber of Commerce and Visitor Center is a great place to start. We welcome you to call on us for information about the area. If you are

interested in starting a business here, or moving an existing one to a great community, count on us a resource. Remember, we are two great communities with one great lifestyle!

WELCOME

SAHUARITA

TOM MURPHY

Greetings to all residents of Sahuarita, new and established, as well as friends visiting us from afar! The middle of summer marks the beginning of a new fiscal year for the town, and with that comes the perfect time to reflect on the past year and look forward at the year ahead.

First and foremost, I want to extend my heartfelt sympathy to all those families who have experienced the tragic loss of loved ones due to COVID-19. On a national level, we have been presented with unprecedented challenges that wreaked havoc on our healthcare system and economy. However, I'm happy to report to you that despite a very difficult year, Sahuarita is standing strong!

Happily, we're seeing that

the regional economy has largely gone back to business as usual, and the national economy is continuing to emerge. I can say with great enthusiasm that from where I'm standing, Sahuarita is in as good a place as ever to plan thoughtfully for the future. One indicator of a healthy economy is an approved and balanced budget for this fiscal year that is up 59% over last year's at nearly \$95 million dollars. This is incredible news for our community, and we are certainly in an

enviable position. With the growth of the town being another indicator that things are headed in the right direction, our planning and building department is happy to be reporting the highest number of permits granted for single-family homes in more than 10 years.

Because we're growing faster than the statewide average, we qualify for a larger share of state-shared funds. This is money that we can add to our general fund through which we are able to provide the

high-quality services we offer to residents. And I want to personally thank the wonderful folks living here, who throughout the pandemic have helped to keep the wheels turning by shopping locally. By doing so, you've helped us maintain the excellent level of service for which we're known: (1) our police department is well-staffed and has the tools they need to do their jobs effectively, (2) our local infrastructure gets the attention it needs — keeping our roads in tip-top shape,

and (3) we're able to think outside the box, creatively, and find ways to stimulate economic expansion.

In the coming months, our economic development department will continue some of the programs it has spearheaded over the past few years for encouraging local entrepreneurship such as BizEDGE, BizLaunch and the Dreambuilder program. Additionally, we plan to continue outreach through targeted campaigns aimed at attracting new restaurants to locate in Sahuarita.

Over the years, our town leadership has sought to encourage a spirit of community through our signature events, providing venues for shared experiences and camaraderie that reinforce our community's characteristics: teamwork, cooperation, and generosity. The coming year will be no different, as we stand strong. Please visit our website at www.sahuaritaaz.gov/ events to keep tabs on town-sponsored and organized events coming your way.

I am now coming into my 5th year as mayor of Sahuarita, and it's with great enthusiasm that I wish to express my gratitude for the privilege of public service. On behalf of the other council members and our town employees, I wish you health and prosperity, and may God continue to bless us all.

Sincerely,

Tom Murphy

SHOPPING

Green Valley and Sahuarita offer a great mix of shopping opportunities.

Green Valley Village in the heart of Green Valley has more than 60 businesses, including boutiques, book stores, restaurants, professional offices, Sears, and a hardware store.

About a mile away on Continental Road, Continental Shopping Plaza has more than 50 shops and businesses, including a Hallmark store, hardware store, restaurants, salons, unique homegrown boutiques selling clothing, gift items and more, and a Safeway supermarket.

Major shopping destinations in Sahuarita include the Sahuarita Plaza on Duval Mine Road, anchored by a Ross

Dress For Less, Big Lots, Ace Hardware, Jo-Ann Fabrics, Petco, restaurants, and a Dollar Tree at the west end of the plaza. Across the street, The Crossing at Sahuarita at the southeast corner of Nogales Highway and Abrego Drive features a popular Sprouts store, TJ Maxx, PetSmart and Bealls outlet, along with a MOD Pizza restaurant, Starbucks coffee shop, Chipotle Mexican Grill, a new Egees and more.

To the west of Interstate 19 is the Valley Verde Center with an Ashley Furniture Homestore, movie theater, restaurants and an Arizona Department of Motor Vehicles office. Visit online at <https://azdot.gov/content/green-valley> where you can make an appointment, or go to <https://azdot.gov/motor->

vehicles. ADOT phone center: 800-251-5866, Monday to Friday 8 a.m. to 4:30 p.m.

Also on Duval Mine Road at La Cañada Drive is the Sahuarita Palms Plaza, anchored by a Safeway supermarket and gas station and home to a variety of small shops, businesses and restaurants.

To the east is Madera Marketplace with a Walmart Supercenter, two banks, automotive shops, Walgreens, a 99-cent store, restaurants and more. South on Abrego at Esperanza Boulevard is a Tractor Supply Co. store, featuring tractor/trailer parts and accessories along with lawn/garden, home maintenance and pet supplies.

Fry's Marketplace and Chase Bank anchor the Rancho Sahuarita Marketplace and Village at Interstate 19 and Sahuarita Road. Other businesses include a dry cleaners, dentist, veterinary and medical offices, and restaurants. And just to the east, The Corner at Rancho Sahuarita hosts a Panda Express, Arby's, and Fry's gas station, part of a five-acre parcel at the northeast corner of Rancho Sahuarita Boulevard and Sahuarita Road. And just to the east, the new Sahuarita Library opened in fall 2021.

In addition, unique shopping and dining experiences in Green Valley and Sahuarita can also be found at The Marketplace on Calle de las Tiendas; The Quorum Plaza on West Beta Street, home to Copper Fitness and more; the White Elephant thrift store off La Cañada Drive; and Madera Plaza at the corner of Continental Road and Whitehouse Canyon Road.

MORE COMMERCE

Construction of the new Sahuarita Advanced Manufacturing and Technology Center was completed in 2020 on the southwest corner of La Cañada Drive and Sahuarita Road. This 32,000-square-foot multi-tenant advanced manufacturing center is the first of its kind in Sahuarita. The goal of SAMTEC is to establish Sahuarita as a hub for business innovation research and technology. The Town has welcomed its first tenant business, Saguaro Solar. SAMTEC is represented by CBRE Commercial

brokers, and additional leasing is available. For more information, visit www.sahuaritanow.com

In addition, thanks to a grant from the Freeport-McMoRan Foundation, a community-based website — RetireArizona.org — is highlighting the Green Valley area. Through this website, the Green Valley Recreation Foundation — with endorsements from the Green Valley Council, Green Valley Sahuarita Chamber of Commerce & Visitor Center, and the Greater Green Valley Community Foundation — is showcasing the Sonoran Desert borderlands, local services and businesses, Green Valley Recreation's leisure activities and facilities, the unique characteristics of Green Valley's homeowners associations, local outdoor recreation, clubs, sports groups, non-profits and volunteers, which all make Green Valley a beautiful place for retirement living.

GOVERNMENT SERVICES

GREEN VALLEY

Because Green Valley is an unincorporated community, the majority of its municipal services are provided by Pima County. Most local, county and state services can be found at the Pima County Government complex at 601 N. La Cañada Drive in Green Valley.

The complex houses Precinct 7 of the Pima County Justice Court, which handles local traffic, criminal and civil violations and issues marriage certificates. The Justice

of the Peace can perform marriage ceremonies at the court as well. There's also a representative of the District 4 supervisor's office.

The Pima County Sheriff's Office Green Valley substation can also be found at the complex. The PCSO deploys squads of deputies and supervising sergeants. Staffed by a public safety support specialist and members of the Green Valley Sheriff's Auxiliary Volunteers, the substation is open Monday through Friday from 8 a.m. to 5 p.m.

The La Posada Community: A strong local partner, a vital asset to the AZ19 region

Story and photo courtesy **La Posada**

When the La Posada Continuing Care Community broke ground in 1986/87, Green Valley was a growing community of less than ten thousand residents, and the Town of Sahuarita did not yet exist. Three decades later, La Posada has established itself as a community leader, and a vital asset to the AZ19 region.

With about 500 full-time employees, it is one of the largest 501c(3) non-profit organizations in southern Arizona. As estimated in a recent University of Arizona study, La Posada provides over \$50 million in annual economic impact.

From the beginning, when it was founded as a part of Tucson Medical Center, the organization has been focused on the needs of seniors. Over seventy-five percent of new residents move to La Posada from the Green Valley / Sahuarita area, with an increasing number from surrounding Tubac, Vail, Tucson, and even Sierra Vista locations. Over 60 percent of new community residents are referred to join La Posada by a current resident.

Primary to its mission, La Posada offers housing, healthcare, and an independent lifestyle to over 750 residents aged 62 and over. In addition to the current selection of 489 Independent Living apartments, Garden Home townhouses, and single-family Park Centre Homes, there is a new addition. A grouping of 17 new free-standing Pavilion Homes has just finished construction, with a contemporary open feel and up to 2,315 square feet of living space.

If needed, innovative and engaging supportive living and memory care neighborhoods are available to La Posada community residents on site.

Daily resident life at La Posada is typically full of friendship and activity, enjoyable dining and a preventive healthy lifestyle. Many residents pursue volunteer opportunities on

campus, or continue their engagement in supporting local groups like the White Elephant. There are up to five Registered Nurses available for support and guidance through the Care Management team, with office locations in the midst of La Posada Independent Living areas. There are four wonderful dining venues, with a cooked-to-order family feel, that serve as primary social gathering spots.

The La Posada campus is a 100-acre gem, beautifully landscaped and developed over time. There is an open feel here, with opportunities for long walks along the Santa Cruz River path, rolling around the campus on a fleet of shared bicycles, or a quick ride on one of the La Posada trams.

As a non-profit led by a local board of trustees, La Posada makes a strong commitment to giving back. Posada Life Community Services offers programs including a senior lunch program, daytrips, adult day services, and counseling. Next door to the Community Center, Los Niños del Valle offers an innovative and engaging

pre-school for kids from 12 months to 5 years and beyond. Physical, occupational and speech therapies are offered on an outpatient basis to the general public by the La Posada staff. The Connect Green Valley app and website is the latest addition, offering an online resource for services and information. The value of these community programs, along with other avenues of staff and community engagement, is typically valued at over \$1 million each year.

The Shoppes at La Posada, situated where the campus meets Continental Road, offers tasty breakfast and lunch options at Posada Java, wonderful consignment finds at the Vensel Treasure Shoppe, and is a popular gathering place for music and art events. Each spring, the community opens its grounds for the Taste of La Posada event - with bountiful food, music and tours of the residences!

EDUCATION

CONTINENTAL

Continental School District No. 39, Green Valley's home of the Continental Colts, is near the base of Madera Canyon and has a current A grade standing through the Arizona Department of Education for continuous academic growth. Thanks to community support in the form of a bond-funded improvement project completed in summer 2014, Continental School offers a safe, quality education and campus for its approximately 600 preschool through grade 8 students.

with the school, mentoring students and assisting with a wide variety of clubs, special programs and after-school sports and activities.

A cutting-edge solar energy project completed in 2010 makes Continental one of a growing number of Arizona school districts providing nearly 100 percent of its own power.

EDUCATION

SAHUARITA

Sahuarita Unified School District No. 30 (SUSD) is a premier public school district in Southern Arizona, serving approximately 6,100 students in grades K-12. Founded in 1964, the district is proud of its long tradition of academic excellence. Since then, Sahuarita Unified School District has become known for its innovative curriculum, rich history, and sense of community. Today, the district is made up of a childcare/early education center, two high schools, one K-2 primary school, one 3-5 intermediate school, one middle school, two K-8

schools, two K-5 elementary schools, and one K-12 online school.

Both award-winning high schools offer a wide selection of educational choices in academics, the arts, sports, and career and technical education. Our graduates continue to be admitted to a wide number of universities, and among the nation's best schools. This past year,

our graduates redefined challenges as opportunities to thrive, earning approximately \$9 million in scholarships. Through exemplary programs, students learn the skills they need to reach their full potential for success.

As the 2021-22 school

year unfolds, there are new and promising next steps and indicators of further progress and success in the Sahuarita Unified School District.

- A new health professions Career and Technical Education (CTE) program will be offered to high school

students this year.

- With the continued expansion of dual enrollment college-level programs in math, English, science, and more in partnership with Pima Community College, high school students could soon graduate with an associate degree by the time they walk at their commencement.

- We are focused on vital measures to support students, including mental health and total student wellness. Sahuarita Unified School District received a \$25,000 grant to fund an improvement project focused on student and school staff well-being and enhancing student, staff, and parent connections to the student's school. The two year grant-funded project is slated to begin this fall.

- This year, the middle school Career & Technical Education career exploration class, formerly only available to students at Wrightson Ridge School, is now also available at Anza Trail. The yearlong course will offer students the opportunity to explore careers through lessons and hands-on activities that are aligned to the CTE courses offered at the high school level. Students will then be able to make better-informed decisions when selecting CTE pathways.

- The Sahuarita Solar Energy Project has installed solar arrays at more than 8 campuses/facilities (over 9,000 panels). Many of these arrays have recently begun generating energy for the district. To this date, the Sahuarita Solar Energy Project has generated more than 3.0 GWh of power and reduced electrical costs by

- Arizona Educational Foundation recently named two SUSD teachers as Top 10 for Arizona Teacher of the Year. Jessica England, teacher at Sahuarita Middle School, and Ashton Gildea, teacher at Walden Grove High School, join a distinguished list of SUSD teachers who have made this list in past years. Ashton was named a Top 5 finalist in September.

We are committed to doing whatever it takes to advance our purpose of delivering high-quality education and pushing forward in the never-ending quest to honor our noble mission, "Working as a team to help every student succeed."

EDUCATION

CHARTER SCHOOLS

Great Expectations Academy's "Geckos" are proud of their K-8 public charter school in Sahuarita, and for good reason. Since it opened in 1999 in one room at a local church, the school has grown to serve about 300

students and now occupies its own campus with several classroom buildings, a library, multi-purpose room, a playground, and a new administration office. It has a strong focus on literacy and the arts, and offers small class sizes for

ADULT EDUCATION

The University of Arizona has offered enriching adult educational opportunities with non-credit and credit classes in myriad subjects on and off campus.

The Osher Lifelong Learning Institute (OLLI) at the University of Arizona is a non-profit organization created to meet the needs of those 50 and older. A large variety of classes are offered. Due to health concerns, 2021 fall classes continue online only using Zoom, with a determination about winter classes to be determined.

Green Valley Recreation traditionally offers classes

year-round, and non-members can take part with certain stipulations.

At the Pima County Public Library's e-library, entertainment, knowledge and inspiration are just a click away. Stream award-winning documentaries on Kanopy Films, learn a new language with Pronunciator, trace your family's past on Ancestry, unlock a world of e-books and audiobooks, read newspapers and magazines, watch live concerts on Qello, and so much more!

The Library is also your go-to source for reliable information. Staff are on hand to offer book recommendations, help

with a streaming service, and provide information about educational resources for kids, small businesses, community resources for food and other basic needs, or authoritative health information.

Call Infoline at 520-791-4010 or email AskALibrarian@pima.gov

GREEN VALLEY COUNCIL

Green Valley, a community primarily for retired people, is about 20 minutes south of Tucson International Airport on Interstate 19. Founded in 1964, the vision was a community with a small-town feel for active retired people with a variety of incomes. With medical facilities, affordable housing, many churches, essential shopping, restaurant and business services, and myriad recreational opportunities, Green Valley is rated as one of the best places in the United States to retire.

Though technically an unincorporated part of Pima County, the Green Valley Council, a 501(c)(4) corporation, operates as

the unique, all volunteer quasi-government for Green Valley. The Council, as the recognized Voice of the Valley, gives Green Valley clout and access to the leaders of Pima County. The Council is also the liaison with state and federal

agencies. This enables Green Valley's needs and opinions to receive substantial weight at all governmental levels. Strategic direction comes from the Green Valley Community Plan, www.gvcouncil.org/community-plan/, formulated by a

collaborative committee, approved by the community and adopted by Pima County.

The Council's members are homeowner associations, local businesses, public services and corporate members. Each member has a seat on the Board of Representatives, the Council's governing body. The Council operates through its Standing Committees — Traffic & Arroyos; Health and Human Services; Planning and Architectural; Environmental; Park Advisory; HOA Relations; and Emergency/Citizens' Corp. More than 200 people volunteer their time and talent to service on the Council and its Committees to ensure that Green Valley remains a premier place to live, work, play and invest. All Council and Committee meetings are open to the public.

The Council sponsors programs such as the Preferred Vendor Program; a local Health Care Directory; Dispute Resolution; Community Forums; Homeowner Association (HOA) workshops; Planning and Architectural Permit review; Service Requests for people to report problems with county-owned roads and other property; and contractual support for Pima County.

In 2012, the Council created The GVC Foundation Inc., a 501(c)(3) affiliate, to advance the interests of the Green Valley community. The Foundation's management

groups are the Community Plan; the GV Economic Development Group, which seeks out economic

opportunities for Green Valley; Median Green, which has beautified more than 75 percent of

Green Valley's medians; Buffleggrass Eradication; and now that Green Valley has three county-owned parks, a Friends of the Parks.

Want to contribute your talent to the community or need more information? Visit the Council at 555 N. La Canada Drive, Suite 117, Green Valley AZ 85614, call 520-648-1936 or email info@gvcouncil.org. The Council's website offers a wealth of information on the Council's programs and services, the projects supported by the GVC Foundation, Inc., and general information on living in Green Valley (click on Green Valley tab).

In Sahuarita, Northwest Healthcare has served the Green Valley and Sahuarita communities for more than 10 years, and in 2020 opened Northwest Medical Center Sahuarita, a full-service neighborhood hospital to further solidify their commitment to the community.

Northwest Medical Center Sahuarita has 18 medical/surgical inpatient beds, to take care of patients after surgery, or with illnesses that require hospitalization. Emergency care is available 24 hours a day, seven days a week. There are two operating rooms, currently offering

orthopedic surgery, general surgery, podiatric surgery, gastroenterology procedures, and pain management procedures. The hospital also offers outpatient procedures including routine lab work and diagnostic imaging (x-ray, ultrasound, CT scans, Nuclear Medicine, stress testing and more).

In addition to the hospital, Northwest Healthcare also operates Northwest Primary & Specialty Care, employing 14 providers in Sahuarita and Green Valley. Specialties include Cardiology, Family Medicine, Gastroenterology, General Surgery, Internal Medicine, Orthopedic

Surgery, Pain Management, and Podiatry.

Santa Rita Nursing and Rehabilitation Center expanded its services with the addition of Arroyo Gardens, an assisted living community offering 86 apartments, and outpatient physical therapy. Other additions in town include The Villas at Green Valley assisted living and memory care.

La Posada offers a continuum of care with the best in independent living and priority access to healthcare services for ages 62 and up, including levels of assisted living and memory care.

and more, including plays presented by the Santa Cruz Shoestring Players. In addition, the facility is available for rent to arts organizations and touring shows, and to the public for a variety of activities, such as private receptions, meetings and seminars.

At the 48,000-acre Historic Canoa Ranch in southern Green Valley, walking tours throughout the year highlight the area's multicultural history, along with seasonal events, including concerts as well as bird walks at the popular lake. In addition, Green Valley's annual Country Fair, to resume in October 2022, delights all ages at the White Elephant parade.

To the south at the Tubac Center for the Arts, an eclectic mix of exhibitions and shows are open to the public throughout the year.

In addition, Desert Diamond Casino at Interstate 19 and Pima Mine Road brings in classic rock bands, country and western stars, Latino performers, comedians and more.

Casino del Sol in Tucson also offers plenty of world-class live acts at its AVA Amphitheater, including comedy and Latin, Tejano and classic rock concerts.

In Sahuarita, the school district's 1,200-seat auditorium is a popular venue for student and community plays, recitals, ballets and musical performances.

Plus, a whole city full of culture is just 25 minutes up the road in Tucson, including the Tucson Symphony Orchestra, Arizona Theatre Company, Arizona Arts Live, a mix of high-quality museums and much more.

SPORTS & RECREATION IN THE VALLEY

Green Valley and Sahuarita offer terrific ways to connect to the sports and recreation scene, whether as spectators or participants.

Green Valley Recreation has 13 rec centers for dues-paying members and their guests. Many feature the latest exercise equipment, large pools for lap swimming, water classes and

water volleyball; tennis and Pickleball courts and much more.

GVR Foundation sponsors the local leg of the Southern Arizona Senior Games each spring, with hundreds of athletes and volunteers coming out to enjoy friendly competition.

Just to the east in the Santa Rita Mountains, several challenging trails

will take hikers to the top of the peaks or to a babbling brook deep in the Sky Island forest. To the west, the desert calls from a large swath of land traversed by hiking and biking trails called the West Desert Trails. Runners and walkers of all ages can join in the annual Run/Walks & Family Fun Runs series, presented by Taggrun at the Green Valley Pecan

Company in Sahuarita, while fishing fans can take to Sahuarita Lake, which is stocked throughout the year. The lake also is open to canoeing and kayaking.

Softball, soccer and volleyball are popular in the valley, with leagues for young and old. The BAJA Sporting Club has about 400 members who love to play softball, golf, go bowling and volunteer in the community.

The town of Sahuarita's Parks & Recreation Department also offers a variety of adult sports leagues and fitness classes at its Anamax Park Recreation Center and ball fields, as well as children's programs including karate, dance and more.

If you want to watch from the bleachers, Sahuarita High School has varsity teams that always are competitive in their divisions, and they love to have Green Valley fans come out. Walden Grove High School, which opened in the

fall 2011, has grown into a worthy cross-town rival.

A big draw in the region are the NCAA Division I teams at the University of

az19 santa cruz valley attractions

Come explore Az19, a storied locale rich with educational, recreational and multicultural opportunities. Visit a historic mission, a mineral shop, missile site and quiet, natural beauty highlighted by the scenic Santa Rita Mountains.

Be sure to check in advance for any changes in visitation days and hours, tour availabilities, or closures by phoning or visiting the websites.

The spiritual and historic Mission San Xavier del Bac, between Tucson and Sahuarita, dates to the late 1700s. Known as the White Dove of the Desert, it is an architecturally significant historic landmark off Interstate 19 on the Tohono O'odham Nation. Visitors can view the ornate parish church from 9 a.m. to 2 p.m., and the gift shop is open daily from 8 a.m. to 5 p.m.. Mass times are Saturdays at 5 p.m. and Sundays at 10 a.m and 11:30 a.m. Museum visits and guided tours will resume when conditions are safe.

Heading south, the Asarco Mineral Discovery Center in Sahuarita provides visitors an opportunity to learn about the importance of mining in everyday life. It includes an award-winning exhibit center; video theater; cactus garden and picnic area. Visitors also can stand at the edge of an open-pit copper mine, and stop at the mill to see how the ore is processed. Shop at the Company Store gift shop, too.

Wanna bet — or be entertained? The Desert Diamond Casino on Pima Mine Road in Sahuarita features slot machines, table games and keno, plus entertainment and dining choices that include Taste of Agave — At The Buffet, the Diamond Grill and the Sports Bar.

Also in Sahuarita, the Titan Missile Museum offers tours that take visitors 30 feet underground to see the silo of this former intercontinental ballistic missile site, now a National Historic Landmark. The only ICBM site in the world with a Titan II missile in the launch silo, this complex provides above-ground and underground exhibits depicting the Cold War era. See the command center and walk the silo cable ways.

TUBAC

About 20 miles south of Green Valley on Interstate 19 is a quaint little riverside village that calls itself the place “where art and history meet.”

Indeed, the village of Tubac has dozens of shops, galleries and restaurants, many of them selling unique products made by the artists and artisans who call the village home.

Tubac’s history is impressive as well. It was here in 1752 that the first European settlement in what is now Arizona was founded when the Spanish built a presidio near the banks of the Santa Cruz River. The area’s history is celebrated at Tubac Presidio State Historic Park, where every fall the town turns out to recognize local hero Juan Bautista de Anza II, a commandant of the presidio, an Indian fighter and colonizer who led a group of settlers to California in 1775-1776 to establish what is now San Francisco.

More recently, Tubac has established itself as a

resort destination with the expansion and renovation of the Tubac Golf Resort, and a place for high-end vacation and part-time homes.

Just down the road from Tubac is Tumacácori, where a Spanish mission still stands at Tumacácori National Historical Park as

a reminder of the part this region once played in settling the New World. Across the street is the Santa Cruz Chili & Spice Company, offering an enticing selection of chili spices and seasonings along with southwestern cookbooks, local history and kitchen essentials.

ARIVACA

Arivaca is a beautiful rural community 23 miles off Interstate 19 south of Green Valley. The gentle winding road to Arivaca is the perfect training ground for bicyclists getting in shape for the Tour de Tucson race.

Just be careful as you travel down this road. Be on the lookout for rabbits, coyotes, deer and open-range cattle. Once you arrive in Arivaca, there are a number of things to see and do.

Arivaca's town site was originally a Pima Indian village. Mining operations in the area began in 1856, and when the mines played

out, ranching took over.

Today, it's the home of the Arivaca Cienega, a wetland associated with the Buenos Aires National Wildlife Refuge. There are hiking trails and interpretive signs telling about the area and the wildlife you may encounter. The refuge is on the avid birdwatcher's list and is home to many species of birds. Also to the west of town is the refuge's wooded Arivaca Creek Trail. To the south of town, try your luck fishing at Arivaca Lake.

Annual festivities are held for the Fourth of July, and weekend farmers markets are popular through much of the year.

AMADO

The hamlet of Amado is nestled in prime Arizona ranching country between Tubac and Green Valley, straddling Santa Cruz and Pima counties along Interstate 19.

The area offers clear vistas, gentle mountains and green terrain. Nestled at the western base of the Santa Rita Mountains, Amado is perfect for hiking and birding. And for those who enjoy ATV and horseback riding, the area offers many opportunities to enjoy recreational riding. Dining choices and overnight accommodations also are available.

Stargazers, make sure you visit the Fred Lawrence Whipple Observatory visitor center and check out seasonal tours up to Mount

Hopkins. Hikers will enjoy the historic Anza Trail.

AMBOS NOGALES

LISA TENUTA

The government seat of Santa Cruz County is Nogales, home to about 25,000 residents. Its sprawling Mexican namesake just to the south in Sonora has about 20 times that number.

The U.S. city is a government center with numerous retail outlets, restaurants, and a sizable

warehousing center for fresh produce coming across the border.

In Mexico, the city of Nogales is a modern factory and produce shipping center, but it's also a tourist destination. It's easy to get there. Just walk across the international border in downtown Nogales, Ariz. The tourist area immediately

south of the border has restaurants, shops and, if you want, pharmacies and dentist offices. You can drive into Mexico, but the lines of cars driving north into the United States can be long and move slowly.

There's a U.S. Consulate in south Nogales, Sonora, on Calle San Jose, about five miles south of the border. It's open 8 a.m. to 5 p.m. Monday through Friday, closed on weekends and on U.S. and Mexican holidays. Its Mexican phone number is 01-631-311-8150 or 01-631-313-4797. From the United States the number is 011-52-631-313-48-20.

Although it's hassle-free to enter Mexico, U.S. citizens need a passport or passport card to return from Mexico. Also bring along a photo ID such as a driver's license. The pandemic has brought extra restrictions on border crossing.

SANTA RITA MOUNTAINS & MADERA CANYON

Among the highlights in the Santa Cruz Valley for visitors and residents alike is Madera Canyon in the Santa Rita Mountains east of Green Valley. Called a “Sky Island,” the wooded canyon is only 11 miles southeast of Green Valley, but it sports an environment quite different from the desert below.

Madera Canyon is a haven

for flora and fauna found nowhere else in the United States, and it has three distinctive lodges, miles of trails ranging from easy to very difficult, and picnic facilities.

According to the Friends of Madera Canyon, a Green Valley-based advocacy group charged with protecting the canyon, more than 200 bird species have been seen in

the canyon, including rare ones like the elegant trogon, flame-colored tanager, red-faced warbler and the rose-breasted grosbeak.

The best trails in Madera Canyon climb the southern side of Mount Wrightson, including the Old Baldy Trail and the Super Trail, both of which lead to the 9,456-foot peak.

ANZA TRAIL

The Anza Trail will eventually run from Culiacan, Mexico, to San Francisco, Calif., following as closely as possible the historic route taken by Juan Bautista de Anza II and 240 immigrants in the winter of 1775-76.

In this region, hikers, bicyclists and equestrians can use:

- A 5.2-mile section in the Canoa Ranch area, just south of Green Valley, that begins east of Interstate 19 on Elephant Head Road near the Santa Cruz River. The trail here is a packed surface for foot and bicycle traffic. Equestrians can use the river wash so as not to damage the trail.

- Take the Abrego

Trailhead in Green Valley along Abrego Drive south of Continental Road on the east side of Abrego Drive, covering 3 miles. Hike south from here to the Elephant Head Road Trailhead. Hikers also can head north from the Abrego Trailhead to the north end of the Country Club of Green Valley golf course, and continue to the Llano Grande trailhead in the town of Sahuarita. From there, the trail follows close to the Santa Cruz riverbed up to the southern boundary

of the San Xavier Indian Reservation.

- A rather lush, 3.8-mile section follows the river from the presidio at Tubac to the mission at Tumacácori. This is one of the more popular hikes in the Santa Cruz Valley and can be picked up at well-marked trailheads at the mission and the presidio. It's a beautiful route and this mostly flat, easy trail is a great option for families. The trail also extends north from Tubac for about a mile. This is a top trail section for

birders.

- A 5.5-mile stretch of the trail near Rio Rico follows the river and winds through mesquite forests. Take I-19 exit 17, Rio Rico/Yavapai Drive. Park at the trailhead next to the Santa Cruz County building and look for the trailhead sign.

Up on Mount Hopkins in the Santa Rita range, the Smithsonian Institution operates the Fred Lawrence Whipple Observatory, a state-of-the-art telescope array used by scientists to study the beginnings of our universe.

To assist this important research, and to help out other observatories across Southern Arizona, Pima County, Tucson and

Sahuarita have all passed ordinances that require special outdoor lighting, keeping the sky dark so scientists can see (or at least attempt to see) ever-so-faint objects millions of light-years away in

space.

The Whipple Observatory visitor center in Amado offers astronomy and natural history displays, occasional Star Parties, and nearby picnicking.

BUSINESS RETENTION & EXPANSION PROGRAM

GVS Leads is the resource for members of the Green Valley Sahuarita Chamber of Commerce.

A product of the Board of Director's strategic planning process, this business retention and expansion program is all about helping our members maximize their potential as business owners.

The Chamber's Business Development Committee,

co-chaired by Arturo Gabaldon (Community Water Company) and Doug Christy (Pro/Vision Coaching), puts the meat on the bone, so to say, as a formal program was developed. In coordination with the Town of Sahuarita and their Economic Development Team headed up by Victor Gonzalez, initial interviews of 60 local businesses assisted in defining the needs of the program.

WHAT WE DO

A RESOURCE FOR OUR MEMBERS AND THE COMMUNITY

The Green Valley Sahuarita Chamber of Commerce is a membership organization driven by our mission statement: “Champion Opportunities for Business and our Community to Prosper.”

Our nearly 400 members are made up of solopreneurs, home-based businesses, non-profits, small retail and service businesses, and even Fortune 500 companies. While most of our members have set up shop here in Green Valley or Sahuarita, they come from up and down the I-19 corridor including the metro Tucson area, Sierra Vista, and even Nogales, Sonora, Mexico.

MEMBER RESOURCE

Being membership driven, we support the business community in four different ways:

- 1. Advocacy:** As an advocate, we are at the table when policy makers are setting regulations and tax policies that affect the business community.
- 2. Networking:** Creating relationships amongst business owners are beneficial on both a personal level as well as a business level. Our networking events allow our members to not only fraternize, but

to conduct business with each other. The Chamber can also facilitate one-on-one meetings with fellow members.

3. Commerce: Our online presence assists our members in the digital world so important in today’s commerce. Marketing landing pages, member mobile apps, digital coupons and more get our members noticed. Our print publications are seen by residents and visitors to the area.

4. Resources: There are a lot of moving parts in running a successful business. GVS Leads is our Member Resource Program to assist and educate our

and runs smoothly.

GOVERNMENT RELATIONS TASK FORCE

The old adage “if you don’t have a seat at the table, you may be on the menu” holds true to policies developed at the local, county, state and federal levels of government. The Task Force keeps the Board of Directors informed about policies that impact the business community, both positively and negatively, so they can take action if necessary.

GREEN VALLEY SAHUARITA CHAMBER OF COMMERCE AMBASSADOR PROGRAM

The Ambassadors are the public relations and retention assistants of the Green Valley Sahuarita Chamber of Commerce, a group of business leaders who are making a commitment to volunteer their time and expertise toward developing and maintaining goodwill and understanding between the Chamber, business, government and the community.

GREEN VALLEY SAHUARITA CHAMBER FOUNDATION

The foundation assists the Green Valley Sahuarita Chamber of Commerce in efforts to promote charitable education and economic development. With generous support from businesses and private donations, the foundation is able to award scholarships to deserving students attending Sahuarita Unified School District, Continental School District and Great Expectations Academy. Professional development education is also being supported by the Foundation Board.

OUR COMMITTEES

ADVERTISING & PUBLICITY COMMITTEE

This committee works with our local media outlets to advance the Chamber’s outreach.

BUSINESS DEVELOPMENT COMMITTEE

The Business Development Committee is very active in enhancing our business development and retention efforts. This includes support in developing a talented and skilled workforce for local business. The Committee has been instrumental in our GVS Leads program which supports business retention and expansion.

SPECIAL EVENTS COMMITTEE

The Special Events Committee keeps busy. Whether working on large events such as the Business Expo & Taste of the Valley or the Annual Chamber Golf Tournament, to networking events such as Chamber Mixers, this Committee gets the ball rolling to ensure that the event is fun for everyone

members in best business practices. Educational events and webinars, one-on-one mentoring, and Executive Roundtables elevate our Chamber and its members.

COMMUNITY RESOURCE

For many, the Green Valley Sahuarita Chamber of Commerce is a community resource. We obviously have information on local businesses in our online Membership Directory, but we go way beyond that. We take phone calls, from both local residents and folks from around the country, asking for everything from weather forecasts to

finding long lost friends. We sell tickets for local organizations events and promote them in our online and print publications.

Our website, www.GreenValleySahuarita.com, has information on our communities of Green Valley and Sahuarita. History, maps, weather, local media, government, schools and tourist information are all available 24/7. Our Community Calendar is a place to find events of interest.

Interested in relocating? We have a relocation packet with lots of information available on the website, or we can mail you as much information as you need.

Our staff and volunteers are always happy to assist in any way we can.

AZ19 REGIONAL TOURISM ALLIANCE

Come visit Az19!

The Az19 Regional Tourism Alliance is a stand-alone 501(c)(3) promoting statewide, national and international tourism along the Az19 Region.

Representatives from the Green Valley Sahuarita Chamber of Commerce & Visitor Center, Town of Sahuarita, FICO, TRICO, Tubac Golf Resort, Green Valley Council, Green Valley Recreation, La Posada, Freeport-McMoRan, Vagabond Hotel, Caterpillar, Nogales Santa Cruz County, Southwest Institute for Violence Free Learning (SWIVL), plus other retired community leaders, have been meeting and working to develop a destination marketing campaign designed to attract and engage more visitors to Green Valley Sahuarita and the surrounding communities.

The goal of Az19 is to transform this region from a seasonal economy to a year-round one by highlighting the uniqueness of Az19 — the only full U.S. interstate to measure distance in kilometers instead of miles. Az19 is a scenic stretch of interstate leading to a wealth of cultural, recreational, educational and inspirational sites.

When you visit Az19, you can look forward to a series of music performances, great chili, intriguing art exhibits, wonderful Southwest cuisine, breathtaking sunsets, and hiking, cycling or birding in Madera Canyon.

As you venture down Az19, make time to see the missions, world-famous pecan orchards, and the Titan Missile Museum; play a round of golf at a host of challenging courses; spend the day in Tubac and enjoy the shops, galleries and restaurants; have lunch at the famous Wisdom Café in Tumacácori; and visit Nogales and shop for unique cultural gifts.

Az19 Regional Tourism Alliance hosted the 14th Annual Local First's Rural Policy Forum. It began on August 4 with 40 attendees on the Economic Development Tour. Starting in the Town of Sahuarita's Council Chambers, featured speakers included Dr. Manny Valenzuela, superintendent of Sahuarita Unified School District, who shared the success and impact of the WINS program. Victor Gonzales, director of economic development for the Town of Sahuarita, shared plans for a Town Center for

Gonzales successfully wrote a \$3 million grant to develop the SAMTEC project, designed to encourage clean, light manufacturing.

The group also heard from Jaime Chamberlain, president of the Port Authority in Nogales, Arizona and member of the Fresh Produce Association of the Americas. Chamberlain offered an overview of the local and global economic impact of the international produce markets.

From the Town of Sahuarita, the group traveled to Farmers Investment Corporation (FICO), where Rich Walden talked about the economic impact FICO has on the State of Arizona as well as the community. Walden, Tim Campbell and Dave Barnes from Freeport-

McMoRan talked about the joint partnership water conservation project and how it adds values to the orchards and the community.

The next stop was La Posada, where Paul Loomans, vice president of marketing, showcased La Posada and discussed the economic impact the organization has on the local and state economy. The group's last stop was Tubac Presidio State Historic Park, where Shannon Stone, park director, showed a short video on the Presidio, then took the group on a tour of the state park.

This event allowed the Az19 Regional Tourism Alliance to highlight its region and brought in hundreds of folks from around Arizona interested in economic development.

"Welcome to the Chamber, can we help you?"

Where can you find information on local businesses,

AZ attractions and purchase tickets to various concerts or plays all in one place? The Green Valley Sahuarita Chamber of Commerce and Visitor Center is where! Conveniently located at 275 W. Continental Road, Suite 123, the Chamber of Commerce is your place to go for information on Southern Arizona.

When you step into our lobby you will find brochures and periodicals that highlight attractions across the entire state. Check out our comprehensive material on enjoying the spectacular hiking, camping and biking that Arizona has to offer or the wonderful museums that showcase the wild and woolly days of life in the American West and all the way to our present exploration of the stars and universe.

Need a Green Valley or Sahuarita map? Perhaps one of the State of AZ? Come

VOLUNTEER DEL MORTON

to the Chamber. Peruse our section of AZ State Parks from AZ's first state park, the Tubac Presidio, to the timeless beauty of Kartchner Caverns. Perhaps you are looking for something off the beaten path? Come on in, we will do our best to help.

Did you know that the Chamber can help you locate a business from A to Z? Whether you are new to town, thinking of moving, or a longtime resident, the Chamber can introduce you to one of our many Chamber businesses that will fix you right up. The Green Valley Sahuarita Chamber of Commerce represents retail and service industries, professional businesses, churches, health, restaurants, nonprofits, and the list continues. If you need to find it, call 520-625-7575 or visit the Chamber!

VOLUNTEER ADDY MURTAUGH

If you cannot come in, please visit our website at GreenValleySahuarita.com. Here you will find a wealth of information regarding our two communities. From our calendar of events to our blog, which covers anything from member specials to public service announcements, an informative relocation page and a full, complete member directory allow you to visit their websites without leaving the Chamber website.

"Welcome to the Chamber, can we help you?"

The volunteers and staff of the Chamber are second to none. This group of women and men go out of their way to ensure that your Chamber experience leaves you satisfied. Our volunteers are from across the country and from every aspect of life experiences.

VOLUNTEER GIG HAASE

VOLUNTEER NORMA BAKER

This wealth of diversity and knowledge can guarantee a pleasant experience one will find when visiting the Green Valley Sahuarita Chamber of Commerce and Visitor Center.

So new resident or old, in town for just a few hours, days or a few months, stop by the Green Valley Sahuarita Chamber of Commerce and Visitor Center. You will be glad you did!
