WELCOME

GREEN VALLEY

On behalf of the Green Valley Sahuarita Chamber of Commerce & Visitor Center, welcome to our Southern Arizona community! Founded in 1964, Green Valley is a premier retirement community in Southern Arizona with a population of more than 22,000 full-time residents. The Town of Sahuarita was incorporated in 1994 and has grown to more than 35,000 residents. It is known for its high quality of life, excellent schools, low crime rate and abundant outdoor recreational opportunities.

So, what's so special about our community to warrant so much growth? It's all about location! Green Valley and Sahuarita are just 20 miles south of downtown Tucson and 50 miles north of Nogales — the international border with Mexico. Interstate 19 serves

as an easy connector to any attractions to the north or south, but there's also plenty of reasons to stay close and enjoy what our community has to offer.

Our weather allows everyone to enjoy the outdoors nearly 365 days a year. If you are into hiking, golf, swimming, tennis, pickleball, bicycling, birdwatching or simply enjoying a barbecue on the patio with your friends, there is no finer place to be. The trails of Madera Canyon are known for their world-class birdwatching and hiking opportunities in the Santa Rita Mountains. The summit of the 9,453-foot Mount Wrightson provides beautiful 360-degree view of Southern Arizona. In addition, both communities include recreation and community centers that boast a wealth of fitness, educational and entertainment activities.

Sahuarita is one of Arizona's fastest growing

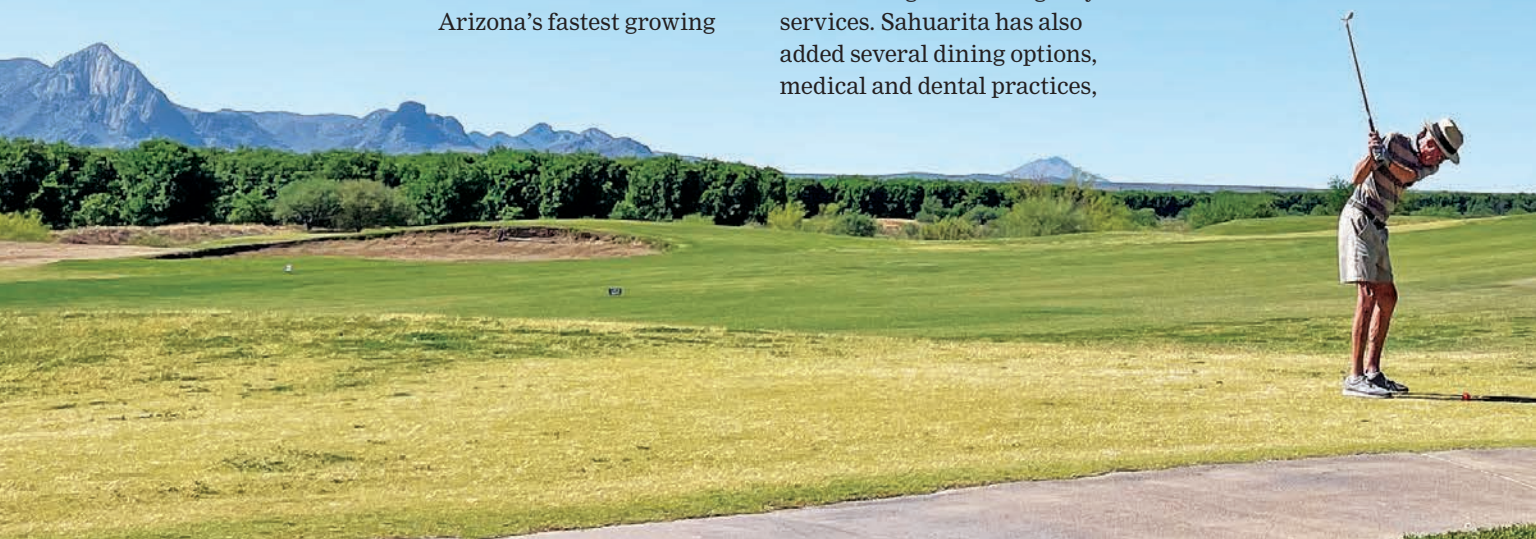

communities. In addition to its proximity to many major employers in Tucson like the University of Arizona, Davis-Monthan Air Force Base, and Raytheon Missile Systems, the town's thoughtful planning for growth and economic development have led to an influx of new businesses and employment opportunities in the community.

Many local and national brands have joined the community to serve area residents and create many new employment opportunities and retail offerings. The Sahuarita Advanced Manufacturing and Technology Center (SAMTEC) is a multi-tenant facility that provides flexible high-tech space to local businesses. Northwest Medical Center Sahuarita is an 18-bed neighborhood hospital that provides primary care and specialist clinics along with emergency services. Sahuarita has also added several dining options, medical and dental practices,

and other businesses that add tremendous value to residents.

Green Valley and Sahuarita are also fortunate to have two exceptional school districts. Sahuarita Unified School District is one of the finest in Arizona and includes 10 schools ranging from preschool to twelfth grade. Continental Elementary School District has served K-8 students in Green Valley since the early 1900s, making it one of the oldest school districts in the state.

More than all of this, Green Valley/Sahuarita is a community that cares. We are a community that looks out for each other, invests in each other and supports each other. We are a community that gives back and volunteers to provide services, activities and programs to build each other

up. We are a community that believes in shopping local and supporting local businesses.

The Green Valley Sahuarita Chamber of Commerce is here to champion opportunities for business and our community to prosper. We are the voice of more than 400 member businesses, and it is our job to represent them to the public and our elected officials. The Board of Directors has developed a strategic plan to set the chamber on a purposeful path for the next decade.

One of the focuses of the strategic plan is to invest in member businesses through our GVS Leads program. This program is designed to provide opportunities for business leaders to work on their business and not just in their business. The GVS Leads program provides members with access to resources, tools and experts in a variety of fields so that they can grow and develop their business. When members can do this, they are better able to serve our community. GVS Leads is the Chamber's answer to fulfilling its mission

of giving every member business, and others in our community, the opportunity for success.

Whether you are looking to visit or making us your new home, the Green Valley Sahuarita Chamber of Commerce and Visitor Center is a great place to start. We welcome you to call on us for information about the area. If you are interested in starting a business here or moving an existing one to a great community, make us your first stop. Remember, we are two great communities with one great lifestyle!

WELCOME

SAHUARITA

You're home!
You have chosen an exciting time to be a part of our community – we are acquiring new lands and spaces to expand our programs, enriching existing initiatives with resources and talent, and we are maintaining our high standards for safety.

I have lived in Sahuarita for almost 20 years. I raised my daughters here, served on the school board and am beginning my third term as mayor. I may be biased, but I have been proud to see this community take root, use its resources wisely, and thrive in the desert of Southern Arizona.

This year we welcomed newcomers like Planet Fitness, The Cut Barber Studio and Goyita's to our business lineup. Sahuarita continued to be a place where consumer services industries do very well.

The town acquired new land just south of Town Hall, as well as the Santa Cruz Valley United Methodist Church building. Both lands and facilities will be dedicated largely to expanding recreational programs, specifically for kids. Residents can look forward to a new splash pad before the end of the year and a state-of-the-art playground to replace what currently resides at Anamax Park.

If you've been here long, you know that our town's signature events are some of our most treasured traditions. From Winterfest and Stars & Stripes, to Spooktacular and Fiesta Sahuarita – each event offers a unique flavor and timely celebration you don't want to miss.

Sahuarita was named one of 2023's Top 3 Safest Cities in Arizona by SafeWise. Our town continues to do well in this category because of the outstanding work of our police department. It is critical for our town to

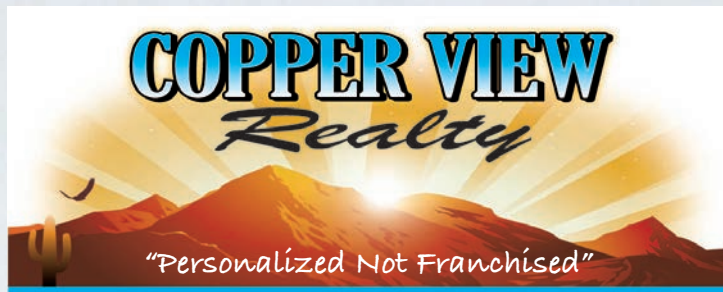

continue our investment into police personnel and resources so we can keep our neighborhoods and citizens safe.

If you see me out and about, please stop me to say hello. Whether you're here to work, live, play or all three – you are welcome here.

May God bless you and your family.

Warmly,

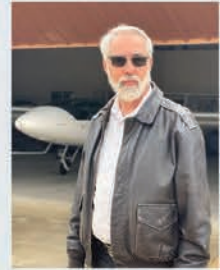

Tom Murphy

MORE COMMERCE

The Sahuarita Advanced Manufacturing and Technology Center, a hub for business innovation research and technology, welcomed PowerPhotonic to the town's 32,000-square-foot multi-tenant advanced manufacturing center — the first of its kind in Sahuarita — on the southwest corner of La Cañada Drive and Sahuarita Road. A Scottish company that uses laser micro-machining to manufacture micro-optics products, PowerPhotonic moved into SAMTEC in March 2022. Also moving into SAMTEC will be Global Water Resources, serving part of the area's water needs.

GOVERNMENT SERVICES

GREEN VALLEY

Because Green Valley is an unincorporated community, the majority of its municipal services are provided by Pima County. Most local, county and state services can be found at the Pima County Government complex at 601 N. La Cañada Drive in Green Valley.

The complex houses Precinct 7 of the Pima County Justice Court, which handles local traffic, criminal and civil violations and issues marriage certificates. The Justice of the Peace can perform marriage ceremonies at the

court as well. There's also a representative of the District 4 supervisor's office.

The Pima County Sheriff's Office Green Valley substation can also be found at the complex. The PCSO deploys squads of deputies and supervising sergeants. Staffed by a public safety support specialist and members of the Green Valley Sheriff's Auxiliary Volunteers, the substation is open Monday through Friday from 8 a.m. to 5 p.m.

The popular Joyner-Green Valley Branch Library also is at the complex, offering a

large selection of books for adults, teens and children, as well as a poetry group and a book club.

All other government services are in Tucson.

The La Posada Community: A Small-Town Feel, A Wonderful Lifestyle

Story and photos courtesy **La Posada**

At the corner of Continental Road and Whitehouse Canyon Drive, where Green Valley meets Sahuarita, you'll find the entry to a unique place. The monument sign at the entry says La Posada. As a Life Plan Community, La Posada represents a wonderful option for many area seniors, with innovative programs, services and amenities to support and enjoyable and healthy lifestyle.

With about 500 full-time employees, it is one of the largest 501c(3) non-profit organizations in southern Arizona. As estimated in a 2014 University of Arizona study, La Posada provides over \$50 million in annual economic impact.

Primary to its mission, La Posada offers housing, healthcare, and an environment to support the well-being to over 750 residents aged 62 and over. In addition to the current selection of 489 Independent Living apartments, Garden Home townhouses, and single-family Park Centre Homes, there is a new addition. A grouping of 17 new free-standing Pavilion Homes is now complete, with a contemporary open feel and up to 2,315 square feet of living space.

This is a choice that also offers peace of mind and a life plan. If ever needed, innovative and engaging supportive living and memory care neighborhoods are available on site to La Posada community residents.

Daily resident life at La Posada is typically full of friendship and activity, enjoyable dining and an active lifestyle. Many residents pursue volunteer opportunities on campus, or continue their engagement in supporting local groups like the White Elephant. There are up to five Registered Nurses available for support and guidance through the Care Management team, with office locations in the midst of La Posada Independent Living areas. There are four wonderful dining venues, with a cooked-to-order family feel, that serve as primary social gathering spots.

The La Posada campus is a 130-acre gem, beautifully landscaped and developed over time. There is an open feel here, with

opportunities for long walks along the Santa Cruz River path, rolling around the campus on a fleet of shared bicycles, or a quick ride on one of the La Posada trams.

As a non-profit led by a local board of trustees, La Posada makes a strong commitment to giving back. La Posada Community Services offers programs including a senior lunch program, daytrips, adult day services, and counseling. Next door to the Community Center, Los Niños del Valle offers an innovative and engaging pre-school for kids from 12 months to 5 years and beyond. Physical, occupational and speech therapies are offered on an outpatient basis to the general public by the La Posada staff. The Connect Green Valley app and website is the latest addition, offering an online resource for services and information. The value of these community programs, along with other avenues of staff and community

engagement, is typically valued at over \$1 million each year.

The Shoppes at La Posada, situated where the campus meets Continental Road, offers tasty coffee and treats at Posada Java, wonderful consignment finds at the Vensel Treasure Shoppe, and is a popular gathering place for music and art events.

In keeping with a mission to "Maximize the Wellbeing of Seniors," La Posada focuses on excellence in Resident satisfaction, and takes seriously a role as key community partner to the Green Valley and Sahuarita area.

One visit to the La Posada campus will show why so many people love its sense of space, and its unique small-town feel. Be prepared to be greeted with a smile and a wave. For more information, or a tour of the La Posada community, please call 520-648-8131 or email to marketing@laposadagv.com.

EDUCATION

CONTINENTAL

For over 100 years, since its founding in 1916, Continental School continues to serve and prosper as Green Valley's only local school. Home of the Continental Colts, the school offers a quality education for its approximately 640 students from preschool to 8th grade.

Located at the base of Madera Canyon in a beautiful desert setting, the entire school district is the school itself. As a result, Continental has one of the lowest student-to-teacher ratios in Southern Arizona schools, allowing more time for teachers and staff to focus on their core mission

of helping its students excel in academics, character, and life skills.

Known as The Little School with a Big Heart, Continental prides itself on its student involvement in Green Valley with many parent and community volunteers active in mentoring students, and assisting with a wide variety of clubs, special programs, and after-school sports and activities. This special bond between our students and our many volunteers makes our district a truly unique place to be.

Community involvement is seen through such

activities as the annual 8th grade trip to Washington, D.C., in which the student-led Civics club helps to raise funds throughout the year for this amazing graduation trip to our nation's capital. Our Continental Jazz Band performs throughout the community for both charity events and at local nursing homes.

In promoting its kindness to all program, Continental helped in the creation of the annual National Thank You Letter Day, (Nov. 14) in which they created the world's largest handwritten thank you letter (the size of a basketball gym), envelope and stamp. For their efforts,

they received a Guinness World Record!

Please contact our school if you have any questions about us, or visit our website at: www.continentalesd.org.

GREEN VALLEY COUNCIL

Green Valley was developed as a stand-alone or full-service community for retired persons in 1964, complete with medical facilities, places of worship, essential shopping, restaurant and business services, and exceptional recreational opportunities. Green Valley is in Pima County, adjacent to the Santa Cruz River Valley in Southern Arizona. It is approximately equally distanced south of Tucson, Arizona, and north of Nogales, Sonora, Mexico. Green Valley aligns with the Santa Cruz River Valley and is bounded by the copper mines to the west, and the Union Pacific Railroad to the east. Safety, law enforcement, and judicial services are provided by the Pima County Governmental sub-complex located in Green Valley. Fire protection services are provided by the Green Valley Fire District.

The town of Green Valley lies in unincorporated Pima County. On June 23, 1973, the Green Valley Council Inc., a 501(c)(4) nonprofit, was created to serve as an all-volunteer representative organization for the original Green Valley Homeowners Associations. In the nearly 50 years since then, the Green Valley Council has grown to be the recognized and unified civic voice of Green Valley.

The Green Valley Council represents the Green Valley community at the local, county, state, federal, and tribal governmental levels. The GVC operates through its

eight standing committees that interface directly with their counterparts in Pima County. These include Traffic & Arroyos, Health and Human Services, Planning & Architecture, Environmental, Parks Advisory, Community Services, HOA Relations, and Citizens Corps Emergency Response. Strategic direction comes directly from the Green Valley community.

Incorporated as a membership organization, the residents of Green Valley become members through the 800-plus member HOAs, HOA affiliates, businesses, and public service organizations. Each member has a seat on the Board of Representatives, the Council's governing body. More than 200 people volunteer hundreds of hours of their time and talent each year to serve on the Council and its Committees to ensure

that Green Valley remains a premier place to live, work, play, and invest. All Council and Committee meetings are open to the public.

The Council sponsors programs such as the Preferred Vendor Program; Dispute Resolution; Community Forums; Homeowner Association (HOA) workshops; Legal Workshops; Planning and Architectural Permit review; Service Line Warranty; Service Requests for people to report problems with county-owned roads and other property; and contractual support for Pima County.

In 2012, the Council created The GVC Foundation, Inc., a 501(c)(3) nonprofit affiliate, to help support special projects that offer new services or supplement Pima County services to the Green Valley community. These services are accomplished

through The Foundation's volunteer interest groups: MedianGreen, Good Deeds Done Together, and The Friends of the Canoa Parks.

La Cañada Drive, Suite 117, Green Valley AZ 85614, call 520-648-1936 or email us at info@gvcouncil.org. The Green Valley Council website offers a wealth of information on the Council's programs and services, the projects supported by the GVC Foundation, Inc., and general information on living in Green Valley (gvcouncil.org and gvc-foundation.org).

Green Valley Recreation has 14 modern rec centers for dues-paying members and their guests. Many feature the latest exercise equipment, large pools for lap swimming, water classes and water volleyball; tennis and Pickleball courts and much more.

GVR Foundation sponsors the local leg of the Southern Arizona Senior Games each spring, with many athletes and volunteers coming out to enjoy friendly competition.

Just to the east in the Santa Rita Mountains, several challenging trails will take hikers to the top of the peaks or to a babbling brook deep in the Sky Island forest. To the west, the desert calls from a large swath of land traversed by hiking and biking trails called the West Desert Trails. Runners and walkers of all ages can join in the annual Run/Walks & Family Fun Runs series, presented by Taggrun at the Green Valley Pecan Company in Sahuarita, while fishing fans can take to Sahuarita Lake, which is stocked throughout the year. The lake also is open to canoeing and kayaking.

Softball, soccer and

volleyball are popular in the valley, with leagues for young and old. The BAJA Sporting Club has about 400 members who love to play softball, go bowling, and volunteer in the community.

az19 santa cruz valley attractions

Come explore Az19, a storied locale rich with educational, recreational and multi-cultural opportunities. Visit a historic mission, a mineral shop, missile site and quiet, natural beauty highlighted by the scenic Santa Rita Mountains.

The spiritual and historic **Mission San Xavier del Bac**, between Tucson and Sahuarita, dates to the late 1700s. Known as the White Dove of the Desert, it is an architecturally significant historic landmark off Interstate 19 on the Tohono O'odham Nation. Visitors can view the ornate parish church from 9 a.m. to 4 p.m., and the gift shop is open daily from 8 a.m. to 5 p.m. Face masks are required indoors. Mass times are Saturdays at 5 p.m. and Sundays at 10 a.m. and noon. Museum visits and guided tours will resume when conditions are safe.

Heading south, the **Asarco Mineral Discovery Center** in Sahuarita provides visitors an opportunity to learn about the importance of mining in everyday life. It includes an award-winning exhibit center, video theater, cactus garden and picnic area. Visitors also can stand at the edge of an open-pit copper mine, and stop at the mill to see how the ore is processed. Shop at the Company Store gift shop, too.

Wanna bet — or be entertained? The **Desert Diamond Casino** on Pima

Mine Road in Sahuarita features slot machines, table games from Blackjack to Roulette, and Keno, plus entertainment and dining choices that include Taste of Agave — At The Buffet, the Diamond Grill, and the Sportsbook & Bar.

Also in Sahuarita, the **Titan Missile Museum** offers tours that take visitors 30 feet underground to see the silo of this former intercontinental ballistic missile site, now a National Historic Landmark. The only ICBM site in the world with a Titan II missile in the launch silo, this complex provides above-ground and underground exhibits depicting the Cold War era. See the command center and walk the silo cable ways.

At **Historic Hacienda de la Canoa** at the Raul M. Grijalva Canoa Ranch Conservation Park in southern Green Valley, Pima County Natural Resources, Parks and Recreation staff and volunteers offer a variety of intriguing guided tours of the ranch buildings, gardens and corral, birding tours at the lake, plus special nature and history-oriented events for the public. Dating back

to the original Spanish San Ignacio de la Canoa land grant, this ranch was a stop for the Anza Expedition in 1775-76 and was one of the largest cattle ranches in Arizona when operated by

the Manning family from the early 1900s until the 1970s.

Farther south is Tubac Presidio State Historic Park and Tumacácori National Historical Park with a historic adobe church.

TUBAC

About 20 miles south of Green Valley on Interstate 19 is a quaint little riverside village that calls itself the place where art and history meet.

Indeed, the village of Tubac has dozens of shops, galleries and restaurants, many of them selling unique products made by the artists and artisans who call the village home.

Tubac's history is impressive as well. It was here in 1752 that the first European settlement in what is now Arizona was founded when the Spanish built a presidio near the banks of the Santa Cruz River. The area's history is celebrated at Tubac Presidio State Historic Park, where every fall the town turns out to recognize local hero Juan Bautista de Anza II, a commandant of the presidio, an Indian fighter and colonizer who led a group of settlers to California in 1775-1776 to establish what is now San Francisco.

More recently, Tubac has established itself as a

ARIVACA

A FILM CREW shoots on location in Arivaca.

PHOTOS BY **LILY PORRAZZO**

Arivaca is a beautiful rural community 23 miles off Interstate 19 south of Green Valley. The gentle winding road to Arivaca is the perfect training ground for bicyclists getting in shape for the Tour de Tucson race.

Just be careful as you travel down this road. Be on the lookout for rabbits, coyotes, deer and open-range cattle. Once you arrive in Arivaca, there are a number of things to see and do.

Arivaca's town site was originally a Pima Indian village. Mining operations in the area began in 1856, and when the mines played out, ranching took over.

Today, it's the home of the Arivaca Cienega, a wetland associated with the Buenos

Aires National Wildlife Refuge. There are hiking trails and interpretive signs telling about the area and the wildlife you may encounter. The refuge is on the avid birdwatcher's list and is home to many species of birds. Also to the west of town is the refuge's wooded Arivaca Creek Trail. To the south of town, try your luck fishing at Arivaca Lake.

Annual festivities are held for the Fourth of July, and weekend Farmer's Markets are popular through much of the year.

AMBOS NOGALES

The government seat of Santa Cruz County is Nogales, Ariz., home to about 20,000 residents. Its sprawling Mexican namesake just to the south in Sonora has about 20 times that number.

The U.S. city is a government center with retail outlets, restaurants, and a sizable warehousing center for fresh produce coming across the border.

In Mexico, the city of Nogales is a modern factory and produce shipping center, but it's also a tourist destination. It's easy to get there. Just walk across

the international border in downtown Nogales, Ariz. The tourist area immediately south of the border has restaurants, shops and, if you want, pharmacies and dentist offices. You can drive into Mexico, but the lines of cars driving north into the United States can be long and move slowly.

There's a U.S. Consulate in south Nogales, Sonora, on Calle San Jose, about five miles south of the border. It's open 8 a.m. to 5 p.m. Monday through Friday, closed on weekends and on U.S. and Mexican holidays.

Its Mexican phone number is 01-631-311-8150 or 01-631-313-4797. From the United States the number is 011-52-631-313-48-20.

Although it's hassle-free to enter Mexico, U.S. citizens need a passport or passport card to return from Mexico. Also bring along a photo ID such as a driver's license.

SANTA RITA MOUNTAINS & MADERA CANYON

Among the highlights in the Santa Cruz Valley for visitors and residents alike is Madera Canyon in the Santa Rita Mountains east of Green Valley. Called a "Sky Island," the wooded canyon is only 11 miles southeast of Green Valley, but it sports an environment quite different from the desert below.

Madera Canyon is a haven for flora and fauna found nowhere else in the United States, and it has three distinctive lodges, miles of trails ranging from easy to very difficult, and picnic facilities.

According to the Friends of Madera Canyon, a Green Valley-based advocacy group charged with protecting the canyon, more than 200 bird species have been seen in the canyon, including rare ones like the elegant trogon, flame-colored tanager, red-faced warbler and the rose-breasted grosbeak.

The best trails in Madera Canyon climb the southern side of Mount Wrightson, including the Old Baldy Trail and the Super Trail, both of which lead to the 9,456-foot peak.

A thick forest thrives in Madera Canyon. Visitors will find mesquite trees, several varieties of evergreen oaks, alligator junipers, Arizona Madrones, cottonwoods, white-limbed sycamores, Ponderosa Pines and more.

ANZA TRAIL

The Anza Trail has many segments that run from Culiacan, Mexico, to San Francisco, Calif., following as closely as possible the historic route taken by Juan Bautista de Anza II and 240 immigrants in the winter of 1775-76.

In this region of Southern Arizona, hikers, bicyclists and equestrians can use:

- A 5.2-mile section in the Canoa Ranch area, just south of Green Valley, that begins east of Interstate 19 on Elephant Head Road near the Santa Cruz River. The trail here is a packed surface for foot and bicycle traffic. Equestrians can use the river wash so as not to damage the trail.

- Take the Abrego Trailhead in Green Valley along Abrego Drive south of Continental Road on the east side of Abrego Drive, covering 3 miles. Hike south from here to the Elephant Head Road Trailhead. Hikers also can head north from the Abrego Trailhead to the north end of the Country

Club of Green Valley golf course, and continue to the Llano Grande trailhead in the town of Sahuarita. From there, the trail follows close to the Santa Cruz riverbed up to the southern boundary of the San Xavier Indian Reservation.

- A rather lush, 3.8-mile section follows the river from the presidio at Tubac to the mission at Tumacácori. This is one of the more popular hikes in the Santa Cruz Valley and can be picked up at well-marked trailheads at

the mission and the presidio. It's a beautiful route and this mostly flat, easy trail is a great option for families. The trail also extends north from Tubac for about a mile. This is a top trail section for birders.

- A 5.5-mile stretch of the trail near Rio Rico follows the river and winds through mesquite forests. Take I-19 exit 17, Rio Rico/Yavapai Drive. Park at the trailhead next to the Santa Cruz County building and look for the trailhead sign.

A SMALL FOOTBRIDGE allows hikers on the Anza Trail to cross over a channel west of the riverbed near Tumacácori.

DARK SKIES

Up on Mount Hopkins in the Santa Rita range, the Smithsonian Institution operates the Fred Lawrence Whipple Observatory, a state-of-the-art telescope array used by scientists to study the beginnings of our universe.

To assist this important research, and to help out other observatories across Southern Arizona, Pima County, Tucson and Sahuarita have all passed ordinances that require special outdoor lighting, keeping the sky dark so scientists can see (or at least attempt to see) ever-so-faint objects millions of light-years away in space.

The Whipple Observatory visitor center in Amado offers astronomy and natural history displays, occasional Star Parties, and nearby picnicking.

Tubac, established in 1752, is a delightful artists' community with a fascinating history. Visit the Presidio, Arizona's first state park, and learn about the long trek of Juan Bastista de Anza as he traversed

the southwest on his way to northern California. Perhaps you will recognize the famous arches at the entrance of Tubac Resort and Spa where the movie "Tin Cup" was filmed.

Adventure seekers will find southern Arizona to

be a paradise for outdoor activities. The region's mild climate allows for year-round exploration, whether it's hiking through picturesque canyons in the Santa Catalina Mountains, horseback riding in the vast open spaces, or biking along scenic trails like the Tucson Loop. Water enthusiasts can kayak or paddleboard in the serene waters of Patagonia Lake State Park or go river rafting in the thrilling rapids of the Salt River.

THE WILD WEST REVISITED

One would be remiss to not mention Arizona's Western heritage. Many familiar names of the Wild West had roots in Arizona. Wyatt Earp, Johnny Ringo, Pancho Villa and Doc Holliday are a few names associated with Arizona's wild past.

Visit the Historic Canoa Ranch and see one of the original Spanish land grants. The original ranch buildings have been restored, as have the lake where visitors can see what life in the 1880s and early 1900s was like.

Tombstone should be on everyone's list as a must-see for those who love the stories of the West. Walk its dirt street and visit the OK

Corral where the Earps and McClaurys' historic gunfight took place.

Southern Arizona was and still is a favorite of Hollywood. Old Tucson, Mescal Movie Set and the Empire Ranch have all hosted such names as Clint Eastwood, James Garner, Tom Selleck and the Duke, John Wayne. The surrey ride in Rodgers and

Hammerstein's "Oklahoma" was filmed at the lake of the Historic Canoa Ranch. Enjoy these historic sets as you follow in their boot prints — cowboy boots, of course.

THE GREEN VALLEY SAHUARITA CHAMBER OF COMMERCE AND VISITOR CENTER

Chamber volunteers are glad to help

Visit the Green Valley Sahuarita Chamber of Commerce and Visitor Center at 275 Continental Road #123 and you will be greeted with a cheery, “Hello, can I help you?”

Whatever the question, our volunteers (or embajadores), will do their best to assist you. Whether you are a tourist, have lived here for years, or are contemplating a move to our area, we have the information you need!

The Chamber’s Visitor Center has a wide selection of brochures, maps and magazines for local and state attractions. Need information on hiking or biking, state or national

parks, local or statewide tourism attractions? We have what you are looking for!

Perhaps you are looking for an experienced attorney or reliable plumber. Our volunteers will help you find what you need among the more than 400 businesses

who are members of the Chamber. We have pamphlets listing our member restaurants, golf courses, churches, real estate services, contractors and more.

The Green Valley Sahuarita Chamber of Commerce and Visitor Center should be your first stop for information. Our volunteers are the ones to help!
