**MARK YOUR CALENDAR FOR THE "BEST WEEK EVER"!!**

Sign up to help and invite kids to VBS for the brightest week of the year! While many people claim to know about Jesus, many are in the dark about who He really is.

As they explore all the ways light brightens, illuminates, reflects, and reveals, kids will discover that Jesus is the light who brings hope to a dark world!

Some might see Jesus as just a person from history, a good man, or a wise teacher but He is much more than that.

*Jesus spoke to them again: "I am the light of the world. Anyone who follows me will never walk in the darkness but will have the light of life." John 8:12*
