Hospitality Security and Risk Management

COURSE OVERVIEW

This course addresses the critical need for integrating security and risk management into hospitality service delivery. It equips professionals with the knowledge and tools to safeguard clients, facilities, and operations in the hospitality sector. Participants will explore practical strategies, regulatory frameworks, and technological solutions to enhance safety and resilience.

LEARNING OBJECTIVES

Upon completion of this course, participants will be able to:

- Demonstrate understanding of the importance of risk management in hospitality environments.
- Identify and address security gaps in hospitality operations.
- Integrate cybersecurity and fraud detection systems into hospitality management.
- Design comprehensive risk and safety plans tailored to hospitality settings.
- Communicate effectively during crises and manage team dynamics in security contexts.

COURSE MODULES

Module 1: Introduction to Security and Risk Management in Hospitality

Module 2: The Hospitality Landscape: Risk, Security and Mitigation Gaps

Module 3: Leadership and Communication in Hospitality Security Management

Module 4: Security Deterrents: Facility Protection, Physical Security, and Events

Module 5: Designing a Risk Management and Safety Plan for Hospitality Establishments
