HOSPITALITY

Bachelor of Hospitality Management

The Bachelor of Hospitality Management will develop competent, innovative, and work-ready professionals who can effectively manage and lead in the hospitality industry, contributing to the growth and development of the sector in Ghana.

This qualification aims to equip students with the knowledge, skills, and attitudes necessary to excel in various hospitality fields, including food service and culinary management, and hospitality operations management.

The qualification aims to produce graduates who can:

- Demonstrate a thorough understanding of the hospitality industry and its operations
- Apply practical skills and knowledge to real-world challenges
- Think critically and innovatively to solve problems and improve operations
- Lead and manage teams effectively
- Provide exceptional customer service
- Contribute to the development of the hospitality industry in Ghana

By achieving this qualification, graduates will be well-prepared to pursue a wide range of careers in hospitality management and related fields and make valuable contributions to the hospitality industry as a whole.
