***Prayer in Honor of St. Isidore**

O God, who taught Adam the simple art of tilling the soil, and who through Jesus Christ, the true vine, revealed Yourself the husbandman of our souls, deign, we pray, through the merits of Isidore, to instill into our hearts a horror of sin and a love of prayer, so that, working the soil by the sweat of our brow, we may enjoy eternal happiness in Heaven. Through the same Christ our Lord. Amen

***Rain Prayer**

Almighty God, we are in need of rain and favorable weather. We realize now, looking up into the clear, blue sky, what a marvel even the least drop of rain really is. We place our trust in You. We are sure that You know our needs, so, we pray, look on our dry hills and fields, dear God, and bless them with the living blessing of soft rain. Then the land will rejoice, and the rivers will sing Your praises, and the hearts of all will be made glad. Amen

NOVENA FOR RAIN & FAVORABLE WEATHER

God created our entire universe, and He has blessed our world in many ways. In His providence, God has chosen to use rain to provide the water we need to live. We need water to drink, grow our plants, and become clean.

In our Catholic faith, we can see the rich symbolism of water as it is used in the sacrament of baptism to cleanse us from Original Sin. Water is a very significant part of our lives in many ways.

When we are in the midst of a drought, we depend on God to send us the rain and favorable weather we need. When we are in such need, we should turn to God to ask Him to send us the rain and weather that is necessary for our sustenance.

Let's offer prayers in this Novena that God will send rain to us and to all who need it.
