Dear Friend,

Giving Tuesday is an annual global celebration of generosity that empowers people to make a positive impact in their local communities. In 2023, thanks to our senior center members and the community, the center had a successful **Giving Tuesday** campaign. This year on **December 3, 2024**, the community will come together to show their appreciation for the essential, life-changing non-profit services that are available.

This time of year, we are especially mindful of what is important and meaningful in our lives. Please take a moment to think about how the senior center's programs and services have made a positive impact on your life.

Your support will ensure the continuity of services and enhance the invaluable activities available to the seniors in our community. It is this generosity that helps the center grow while keeping fees reasonable and affordable.

If you are interested in contributing on or after **Giving Tuesday**, please complete the form below and include it with your donation. You will receive a personal thank you letter, which will serve as a receipt for tax purposes. No matter how big or small, your contribution will make a difference. Thank you for your consideration, your membership and support!

With warm regards,

Michele Penecale

Michele Penecale, Manager
Northampton Township Senior Center
