

Dear Senior Center Member,

Welcome! We are so happy to have you as part of our Senior Center community.

The Northampton Township Senior Center proudly operates under the umbrella of the Parks & Recreation Department. Together, our shared mission is to provide high-quality programs, services, and spaces that enhance quality of life and bring people together at every stage of life. The Senior Center plays a vital role in that mission by serving as a welcoming hub for adults ages 55 and better.

Our goal is to provide a warm, inviting environment where members can gather to exercise, socialize, learn something new, and create meaningful connections and memories. Whether you are here to participate in a fitness class, enjoy a special event, take part in a trip, or simply spend time with friends, the Senior Center is a place for you.

You'll be supported by a dedicated team of staff who are here to help make your experience positive and enjoyable. The senior center staff works closely with the Parks & Recreation Department as a whole, to ensure programs run smoothly and that members feel welcomed, respected, and supported.

As part of your membership, you will receive our policies and procedures. These guidelines are in place to help everyone understand how the Senior Center operates and, most importantly, why certain policies exist. They are designed to promote fairness, safety, respect, and enjoyment for all members, ensuring the Senior Center remains a comfortable and inclusive space for everyone.

We encourage you to review these policies and reach out to staff with any questions. Open communication helps us maintain the friendly, community-focused atmosphere that makes the Senior Center such a special place.

Thank you for joining us. We look forward to getting to know you and welcoming you into our growing Senior Center family.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Fean".
