Empowering Patients & Improving Outcomes

COVERED BY  Medicare

Healthcare pros who fight for patients and families

Solace advocates are experts with an average of more than 16 years' experience in healthcare, from hospitals to home care. They've seen how the system fails patients—and they're here to make it work better for you.

One advocate

WHO STAYS BY YOUR SIDE

We pair you with one advocate who gets to know your health needs, your coverage, your goals—and stays with you.

Independent

FROM HOSPITALS AND INSURERS

Your advocate works for you—not for hospitals, insurers, or anyone else. Their only priority is what's best for your care.

Years of experience

HELPING PATIENTS NAVIGATE THE SYSTEM

With over 15 years' experience on average, advocates come from nursing and other healthcare backgrounds to help patients.
