## Montgomery Primary School

This post is for a Reception Classroom Teacher at MPS3- MPS6. This is a full-time fixed term post for an initial period of 2 terms. We are seeking to appoint an inspiring and positive Early Years Teacher who will join our dedicated and passionate team.

At Montgomery Primary School, we strive to provide the best possible opportunities and outcomes for the children in our community. Our recent Ofsted inspection graded us **good** in all areas. Our hardworking and dedicated staff collaborate to achieve excellence in teaching and learning, ensuring that each child's needs are met through a personalised approach that values their individuality and the unique backgrounds of their families.

We are driven by our commitment to "Taking Care of the Future," empowering children from all backgrounds to maximise their potential, regardless of their talents. We work hard, fostering a culture where children are encouraged to challenge themselves, work collaboratively, and develop independence in their learning journey. We believe in nurturing responsibility, enabling pupils to deepen their knowledge and skills by leveraging their strengths and interests.

While academic success and progress are vital, we prioritise the happiness and safety of our pupils, fostering an environment where they enjoy coming to school and develop into well-rounded individuals capable of making a positive difference in the world. Our 'Monty Values'—passion, determination, honesty, respect, teamwork, and self-belief—are the foundation upon which we build the skills and characteristics necessary for success.

Situated in a zero-carbon, Passivhaus building completed in 2010, our school boasts extensive and beautiful grounds, including a field, tennis court, reflection garden, playground, and adventure trail. The design of our facilities features spacious classrooms and wide corridors, providing fantastic breakout spaces for small group and one-to-one work.

At Montgomery, we believe that a happy child is a successful one. We are committed to providing a positive, safe, and stimulating environment where every child is valued. Our aim is for all children to enjoy their learning, achieve their potential, and become independent lifelong learners ready to engage with the modern world. We embrace a fully inclusive educational approach, ensuring equal opportunities for all and fostering an appreciation for religious and cultural differences.

Join us in our mission to create an excellent educational community that provides the highest quality teaching and learning, enabling our children to make strong progress, regardless of their starting point. Join us in providing an outstanding learning environment combined with a nurturing ethos in which each individual blossoms to be the best that they can be.

## EYFS Class Teacher

Montgomery Primary School is seeking an exceptional individual to join our dedicated team as a reception class teacher. We are seeking a passionate, dedicated Reception Class Teacher who will provide our youngest pupils with the best possible start to their educational journey. You will plan and deliver high-quality, well-structured lessons that inspire, motivate, and challenge children, ensuring they develop strong foundations in early reading, writing, and mathematics. You will play a key role in embedding our curriculum and supporting children's personal, social, and emotional development within a nurturing environment. We are looking for a passionate and skilled professional who is committed to fostering an inclusive environment where every child can thrive. At Montgomery Primary School, we are dedicated to adapt to the diverse needs of all our pupils and their families.

We are looking for someone to join our team to provide a rich, stimulating, and well-organised learning environment that encourages exploration, curiosity, and independence through continuous provision both indoors and outdoors. At Montgomery we ensure that continuous provision is thoughtfully planned and adapted to meet the individual and diverse needs of all children, including those with SEND and EAL, fostering inclusion and high-quality teaching for every child. An important part of the role is regularly observing and assessing children's interactions within school to inform next steps in planning and personalised support, ensuring that all children make good progress.

At Montgomery we believe in providing an environment where every child feels safe, secure, and supported to develop emotionally and socially within our caring environment, where wellbeing is a priority. If you would love to join a passionate team of dedicated teachers who work together to ensure our children thrive and grow, we would love to hear from you! Join us in making a positive impact on the lives of our children and helping them achieve their full potential!
