

## MOVE-OUT CHARGES / January 2026

Below is a list of charges for most of the things that we have to repair or replace when tenants move out and leave their dwelling in need of something. Please note that these charges are just a base-line and are not all-inclusive. Other charges may apply that are not listed, and the below charges are subject to change and/or may vary. Most of the time, however, the charges are exactly as shown. Of course, we give allowances for normal wear and tear and for the length of the time that an item has been in use. Replacement charges include parts and labor.
