

# 2026 Somers Men's Softball League Team Roster Form

*\*Managers submitting a Team Roster Form must be a current Town of Somers Resident.*

A Team Roster Form is required by the SMSL for the purposes of scheduling, division alignment, player registration and the enforcement of SMSL rules and regulations. Final team placement is at the discretion of the SMSL Board and Department of Parks & Recreation. *In order to ensure a competitive balance teams may be moved between divisions during the first 1/4 of the season.* Please keep in mind the talent level of your roster when requesting the league to participate in. Rosters may not exceed twenty-five players and must be comprised of not less than **50% Somers residents**. Anyone that does not live in the Town of Somers is considered a **non-resident**. All participants must be 18 years old. Many teams with rosters of twelve to fourteen players have experienced difficulty in fielding a full team. Please ensure that you have a sufficient number of players on your roster to avoid forfeiting games

**Forms are due by 3/2. Return to [Parks@somersny.gov](mailto:Parks@somersny.gov) Incomplete forms will not be accepted.**
