St. Patrick School Community,

St. Patrick School takes pride in supporting the needs of the whole child, and in ensuring that all children are safe, supported, engaged, and challenged each school day. Research indicates that initiatives focused on improving students' well-being in schools—such as addressing childhood obesity, preventing bullying, supporting students' mental health, and restricting exclusionary discipline—have been shown to improve student success and academic excellence. We have assessed our wellness policy as part of the USDA requirements. Below are the results of our assessment.

Step #1-

Step #2-

Our Wellness Committee has formed an action plan. Our committee will meet quarterly and implement the needed changes within three years. We have put our action steps and action plan on our school's website, Home | St. Patrick Elementary , under Wellness Policy.

If you have any questions, please contact Becky Redl at becky-redl@cdolinc.net

Respectfully,

Mrs. Becky Redl

Principal/Administrator on Wellness Committee.
