

ECO-FRIENDLY ACCOMMODATION GUIDE

For a more sustainable stay, together...

Small actions during your stay make a **big difference** in protecting natural resources and reducing our carbon footprint.

WASTE MANAGEMENT & RECYCLING

As our guest, please:

- Use the recycling bins provided in your room and common areas.
- Separate plastic, glass, paper, and organic waste.
- **Avoid** single-use plastic products:
- Choose reusable bags and refillable water bottles.
- Take only what you need to help prevent food waste.
- Dispose of used batteries in the special collection box at reception.

RESPECT NATURE & WILDLIFE

- Do not pick flowers or damage plants.
- Do not feed animals or disturb their natural habitats.
- Leave no trace during nature walks—take your litter with you.
- **Please do not purchase souvenirs** made from species protected by IUCN or CITES.

REDUCE THE USE OF HARMFUL CHEMICALS

- **Avoid toxic** sunscreens and insect repellents.
- Choose **eco-friendly** personal care products.
- You may request environmentally friendly cleaning products for your room ● **Avoid unnecessary** vehicle use.

PROTECT CULTURAL & NATURAL HERITAGE

- **Walk or cycle** for short distances.
- Use **public transportation** to reduce your carbon footprint.
- Consider Marmaray and ferry connections for eco-friendly city travel.
- **Do not touch or write** on historical monuments.
- **Remain quiet** in museums and places of worship.
- **Avoid using flash photography.**
- **Respect local culture and traditions.**
- **Stay on designated walking paths** in cultural sites.

LET'S PROTECT NATURE BY DOING A LITTLE MORE EVERY DAY

Small habit changes create big impact.
Let's avoid wasting water, energy, and food.

Let's protect our future together,
