CACFP Household Letter
No Separate Meal Charges

Dear Parent/Guardian:

We provide nutritious meals every day to the children at our center.

The Child and Adult Care Food Program (CACFP) helps our center to pay for meals. The amount of help we get depends on the incomes of households with children in care. **Please complete the enclosed CACFP Household Income Statement form** following the instructions. If your household income is higher than the guidelines shown on the instructions page, please write "over income" on the Household Income Statement, include your children's names and return the form.

Commonly Asked Questions:

I already get Minnesota Family Investment Program (MFIP) or Supplemental Nutrition Assistance Program (SNAP) benefits. Do I meet CACFP income guidelines? Yes. You should provide your case number on the form instead of income information if anyone in your household is approved for one of these programs: MFIP, SNAP or Food Distribution Program on Indian Reservations (FDPIR).

In addition, children in foster care meet CACFP guidelines without providing income information.

Your household may meet CACFP income guidelines if you are approved for the *Women, Infants, and Children* program (WIC) or *Medical Assistance* program (MA). Please fill out a Household Income Statement form.

Who should I include as members of my household? Include yourself and all other people living in your household, related or not (such as grandparents, other relatives or friends). Include anyone who is temporarily away. Example: a college student.

What if my income is not always the same? List the amount that you normally get. Include overtime pay if you regularly work overtime. For fluctuating income like seasonal work, list the average monthly income.

Do I need to provide my Social Security number? If household incomes are reported on the form, the person signing the form must write in just the last four digits of their Social Security number. If you don't have a Social Security number, indicate that on the form.

May I fill out a Household Income Statement if someone in my household is not a United States (U.S.) citizen? Yes. You or your children or other household members do not have to be U.S. citizens for you to fill out a CACFP Household Income Statement.

How will my information be kept? We will keep your information on file as private data. The back page of the form has more information about data privacy.

If I don't qualify now, may I apply later? Yes. Please complete a Household Income Statement form at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP or FDPIR benefits.

If you have other questions or need help, call **507-281-8183 North, (507)281-3284 SW, (507)281-4421 NW**

Sincerely, **Kari Olivares, North Director; Michelle Strain, SW Director; Missi Mathison, NW Director.**

Providing ethnic and racial information for each child is optional and does not affect approval for CACFP benefits. This information helps to make sure we are fully serving our community.

2. Case Number

If any household member currently participates in SNAP, MFIP or FDPIR assistance programs, check the box to indicate which assistance program and write in the corresponding case number. Then go to number 4. If no one in your household participates in SNAP, MFIP or FDPIR, leave number 2 blank and continue on to number 3.

Note: Benefits received from Child Care Assistance, Medical Assistance (MA), Women, Infants, and Children (WIC) and Person Master Index (PMI) numbers **do not** qualify for this purpose and cannot be reported on the Household Income Statement in number 2.

- List gross incomes before deductions, not take-home pay. **Do not list an hourly wage rate.** For adults with no income to report, enter a '0' or leave the section blank. This is your certification (promise) that there is no income to report for these adults.
- For each income, fill in a circle to show how often the income is received: weekly, every two weeks, twice per month or monthly. For fluctuating income like seasonal work, list average monthly income.
- For farm or self-employment income **only**, list the net income per year or month after business expenses. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
- The adult household member signing the form must provide the last four digits of their Social Security number or check the box if they do not have a Social Security Number.

4. Signature and Contact Information

An adult household member must sign and date the form.

Child Enrollment Documentation for Child Care Centers Participating in the Child and Adult Care Food Program (CACFP)

Child Care Centers that participate in the Child and Adult Care Food Program (CACFP) are required to collect annual enrollment information from parents and/or guardians. This requirement applies to all CACFP facilities except adult day care centers, emergency shelters, outside-school-hours care centers and at-risk centers.

The enrollment form must include the following elements per regulations 7 CFR § 226.15(e)(2) and § 226.17(b)(8)):

- Each enrolled child's normal days
- Hours in care
- Meal service received
- Signature of parent or guardian.
- Annual updating of the information.

To document enrollment information, child care centers who participate in the Child and Adult Care Food Program (CACFP) can use the attached sample enrollment form or can modify their own child care enrollment form to include the required elements listed above.

Enrollment forms need to be updated annually by a parent or guardian. If the child's normal days that he/she attends the day care, their hours in care, the meal services they receive and contact information stays the same as what was reported on their original form, the parent or guardian can simply initial and date the form at the bottom. If only a few changes are needed the parent or guardian can simply modify the existing form and initial and date the form at the bottom. If there are significant changes that need to be made have the parent or guardian complete a new form.

If you have any questions about the requirement for collection of enrollment information, please contact Food and Nutrition Services (FNS) at 651-582-8526, 800-366-8922 or email mde.fns@state.mn.us.
