### Pastor's Pen

Last week's Mass on the Farm was a huge success! Thank you to all who came out! Thank you to all who helped organize the weekend. It is a bit of extra work to have Mass in a different place and to organize the food and decorations. So, a huge thanks to those who did all that work. Finally, I want to thank all of you for being so generous to the Special Olympics Collection.

I have a couple of additional announcements. First, I am out of town this week for diocesan meetings. This is called our Convocation. It is a series of days that we hear from several of the Diocesan representatives about things we need to know. We also get some continuing education type of content.

Honestly, this can be really good and engaging, or it can be terrible and cringe-worthy. I have seen both in the 7 years I have been going. I always go and hope for the best. If you need me for something, let me know. This isn't vacation, it is working meetings.

Next, we originally scheduled a Pastoral Council Meeting for this Wednesday. Seeing as I am out of town, let's move that to next week, September 24 at 6:30pm.

Altar Servers training dates have been scheduled. Altar Servers need to be in the 4<sup>th</sup> grade or older. Ideally, they should have at least received their First Communion. I am particularly looking for those who were confirmed last year, but there is nothing that would prevent an older child from also joining this year.

There are two separate trainings set for Altar Servers. The first option is September 22 at 6:30pm at St. Mary's. The second is October 22 at 5pm at St. Mary's. Anyone from any of the parishes is able to join these server trainings.

One of the two options for the Eucharistic Minister trainings has been set. Eucharistic Ministers, (formally-Extraordinary Ministers of Holy Communion) are tasked with distributing the most central aspect of our faith to the people. Whether this function is done in the church or at the home of someone who is sick, it is a powerful witness and humbling experience to be able to bring Jesus to your friends and family. The requirements here are a need to be a fully initiated Catholic, in the 9<sup>th</sup> grade or older, and a willingness to serve in your parish.

This training is on October 1 at 6:30pm at St. Mary's. If you cannot make it to that training, please let me know. I have been planning on having a second training. The first person who contacts me and commits to the training will get to choose the date, time, and place of the second training.

Any adults in either training will need to have completed the Safe Environment training and to pass a background check.

I am starting to see the harvest starting. I have heard that this should be a pretty good harvest. I am certainly praying for a safe harvest. I encourage all of us to pray for the same for our farmers this season.

I know that this is an especially busy time for our farmers. The corn and beans do not always wait for us. However, I encourage you remember to put God first in your day. Take a few minutes before you start each morning to ask for God's guidance in the day. Pray your rosary while you work.

Catholics are obligated to participate in Sunday Mass each weekend. It is one of the precepts of the Church. So, I would encourage you to find a weekend Mass somewhere. If that means you have to go to Mass in your work clothes, then please go in your work clothes. However, if the choice is between nothing and praying with a livestreamed Mass, please find a livestreamed Mass. I know that Our Saviour in Jacksonville streams their 8am Sunday Mass every week on YouTube and Facebook. There are other parishes that do the same.

Please know that your parish family misses you when you are gone. Please be safe know of your parish's love for you.

-Fr. Adam
