NAPA COUNTY HISTORICAL SOCIETY
PLACE NAMES

The described location of the following Napa County Place Names are based upon the grid system established by the US Geological Survey. For example AETNA SPRINGS 9/6/1 defines that place name as being located in Township 9 North, Range 6 West, Section 1, Mount Diablo Base and Meridian. Capitalized names designate communities and railroad stations. Railroad stations are further distinguished by a symbol (#) for SPCo and (*) for the SFNVry. When acquired by the United States government, the Mexican Rancho Grants were recognized as being separated from the Public Lands. The boundaries of the Ranchos were surveyed independently of the public lands, and surveys of the public lands extended only to the Rancho boundaries. For purposes of this identification of places, the grid system is projected into the Rancho lands. Generally the source maps used are the USGS 15 minute quadrangle series. The 15 minute series of USGS quadrangles as bounded by the exterior corners lower left, upper left, upper right and lower right are listed as follows: Morgan Valley 10/6/2-13/6/2-13/4/1-10/4/1, Calistoga 8/8/33-10/8/3-10/6/3-8/6/35, St. Helena 8/6/35-10/6/2-10/4/1-8/4/36, Capay or Lake Berryessa 8/4/36-10/4/1-10/1/5-8/1/32, Santa Rosa 5/8/28-8/8/33-8/6/35-5/6/26, Sonoma 5/6/27-8/6/35-8/4/36-5/4/25, Mt. Vaca 5/4/25-8/4/36-8/1/30-5/1/29, and Mare Island 2/6/22-5/6/26-5/4/36-2/4/24

Miscellaneous symbols: (AdCo L) in adjacent county for example L-Lake, SL-Solano, SN-Sonoma and Y-Yolo; (HM) Historical Monument; (SHL) State Historical Landmark; CAPITALS - City or community; Railroad Station, for example BARRO (#) on SPCo line and COLLINS (*) on SFNVry; (VABM)-Bench Mark; (+) 7.5' quadrangle map and County Maps; (aka)-also known as;
