Dues to the Nebraska Psychological Association are not deductible as a charitable contribution for tax purposes, but may be deductible as an ordinary and necessary business expense. A portion of the dues, however, is not deductible as an ordinary and necessary business expense because the Association engages in lobbying activities. NPA estimates that 55% of dues are allocated to lobbying activities and are nondeductible. Contributions to the Psychology Defense Fund will not be used for lobbying and may be eligible for total business expense deduction. If you have any questions, please contact the NPA Central Office, 402-475-0709.

Divisions/Committees/Issues Please indicate which you would be willing to assist in any capacity and an NPA member will contact you.
