Mental Health in the US

Graphic generated by AI

4

Mental Health in Alaska

National Alliance on Mental Health (NAMI),
March, 2025

- 132,000 adults in Alaska have a mental health condition.
- 23% of youth (0-17) have experienced 2+ adverse childhood experiences (mental illness; substance misuse).
- More than 414,000 people in Alaska live in a community that does not have enough mental health professionals.

5

Mental Health in District of Columbia

National Alliance on Mental Health (NAMI),
March, 2025

- 143,000 adults in the District of Columbia have a mental health condition.
- 17% of youth (0-17) have experienced 2+ adverse childhood experiences (mental illness; substance misuse).
- More than 125,000 people in the District of Columbia live in a community that does not have enough mental health professionals.

6

Mental Health in Florida

National Alliance on Mental Health (NAMI),
March, 2025

- 3,563,000 adults in Florida have a mental health condition.
- 17% of youth (0-17) have experienced 2+ adverse childhood experiences (mental illness; substance misuse).
- More than 7,800,000 people in Florida live in a community that does not have enough mental health professionals.

7

Mental Health in Iowa

National Alliance on Mental Health (NAMI),
March, 2025

- 649,000 adults in Iowa have a mental health condition.
- 18% of youth (0-17) have experienced 2+ adverse childhood experiences (mental illness; substance misuse).
- More than 1,300,000 people in Iowa live in a community that does not have enough mental health professionals.

8

Mental Health in Louisiana

National Alliance on Mental Health (NAMI),
March, 2025

- 838,000 adults in Louisiana have a mental health condition.
- 22% of youth (0-17) have experienced 2+ adverse childhood experiences (mental illness; substance misuse).
- More than 3,000,000 people in Louisiana live in a community that does not have enough mental health professionals.

9

Mental Health in Michigan

National Alliance on Mental Health (NAMI),
March, 2025

- 1,789,000 adults in Michigan have a mental health condition.
- 21% of youth (0-17) have experienced 2+ adverse childhood experiences (mental illness; substance misuse).
- More than 3,600,000 people in Michigan live in a community that does not have enough mental health professionals.

10

Mental Health in Nebraska

National Alliance on Mental Health (NAMI),
March, 2025

- 376,000 adults in Nebraska have a mental health condition.
- 17% of youth (0-17) have experienced 2+ adverse childhood experiences (mental illness; substance misuse).
- More than 1,000,000 people in Nebraska live in a community that does not have enough mental health professionals.

11

Mental Health in Nevada

National Alliance on Mental Health (NAMI),
March, 2025

- 600,000 adults in Nevada have a mental health condition.
- 19% of youth (0-17) have experienced 2+ adverse childhood experiences (mental illness; substance misuse).
- More than 1,900,000 people in Nevada live in a community that does not have enough mental health professionals.

12

Mental Health in Oklahoma

National Alliance on Mental Health (NAMI),
March, 2025

- 768,000 adults in Oklahoma have a mental health condition.
- 23% of youth (0-17) have experienced 2+ adverse childhood experiences (mental illness; substance misuse).
- More than 1,900,000 people in Oklahoma live in a community that does not have enough mental health professionals.

13

14

Telepsychology

- What is it?
- Is it a new concept or just another mechanism to provide psychological services?
- Do you need specialized training to provide electronic services?
- Do you need to develop a separate ethics code for the telepsychology practice?
- What does being competent to provide telepsychology services mean?
- How do you deal with different laws in different jurisdictions?
- Does your patient want it?

15

E-therapy

16

Definition: Telehealth

National
Telehealth
Resource
Centers (NTRCs)

Collection of means or methods for enhancing health care, public health, and health education delivery and support using telecommunications technologies.

The American
Telemedicine
Association
(ATA)

Uses the term telehealth interchangeably with telemedicine which it defines as the use of medical information exchanged from one site to another via electronic communications to improve a patient's clinical health status.

The Center for
Medicare &
Medicaid
Services (CMS)

Certain services like office visits and consultations that are provided using an interactive 2-way telecommunications system (with real-time audio and video) by a doctor or certain other health care provider who isn't at your location.

HHS – Health
Resources and
Services
Administration
(HRSA)

Use of electronic information and telecommunications technologies to support long-distance clinical health care, patient and professional health-related education, public health and health administration.

17

Per PSYPACT Rule 2 II

“Telepsychology” means:
the provision of
psychological services
using telecommunications
technologies.

Telepsychology Defined

18

SAMHSA Resource

<https://library.samhsa.gov/product/tip-60-using-technology-based-therapeutic-tools-behavioral-health-services/sma15-4924>

19

Other Resources to Consider

- Resources for Providers
 - Center for Connected Health Policy (<https://www.cchpca.org/>)
 - Telehealth Policy Finder
 - State Medicaid and Federal Medicare Coverage Info
 - National Consortium of Telehealth Resource Centers (<https://telehealthresourcecenter.org/>)
 - Monthly webinar series
 - Articles targeted to telehealth
 - Health and Resources & Services Administration (HRSA) (<https://telehealth.hhs.gov/>)
 - Finding a Telehealth Vendor
 - Planning telehealth workflow
 - Preparing your patients
 - Legal considerations

20

New APA Guidelines for the Practice of Telepsychology

- Original Guidelines completed in 2013
- Revised and Updated Guidelines in February 2025
- The New Guidelines include:
 - Revisions
 - Condensing of sections
 - Expansion: 18 areas that were not included in the 2013 version

21

APA Guidelines: Ethical, Legal and Administrative

- Each guideline offers overview statement, rational, and application
- Guideline 2: Informed Consent
- Guideline 3: Data Security, Management and Transmission
- Guideline 4: Data Disposal
- Guideline 6: Interjurisdictional Practice
- Guideline 7: Clinical Best Practices
- Guideline 8: Testing and Assessment

22

Four New Principles

- Guideline 5: Documentation – includes ongoing assessment of the appropriateness of telepsychology; contact info for local safety/support
- Guideline 9: Emergencies – Copy of emergency plan
- Guideline 10: Supervision and Training – Training in telehealth and telesupervision
- Guideline 11 : Emerging Technologies – acknowledges that the technology landscape is consistently changing

23

Guideline 6: Interjurisdictional Practice

- Psychologists seek to be well-versed in and comply with all relevant laws, mandates, and regulations when providing telepsychology services to patients/clients/service recipients across jurisdictional borders, both domestic and international.
- Practice via:
 - Licenses in both jurisdictions
 - Interstate Compact (PSYPACT)
 - Temporary Licensure Provisions
- Since laws and regulations that govern service delivery by psychologists vary by jurisdiction, need to be aware of what governs your practice.

24

Why Telepsychology/Why PSYPACT

- Licensing boards want licensees to be licensed in their state, where the patient and psychologist are located, to protect the public.
- Psychologists want to be able to provide better access to care to clients/patients through the use of telecommunications technologies.
- It is challenging to require a psychologist to be licensed in each state due to cost, etc.
- It is equally unrealistic for regulatory bodies to allow psychologists to practice in their state without some type of oversight.
- The mental health needs of our society continues to grow.

25

What is PSYPACT?

- Psychology Interjurisdictional Compact
- Interstate Compact
- Designed to regulate telepsychology & temporary in-person, face-to-face practice of psychology
- Focuses on psychology and psychologist

26

27

The What, Why and How of an Interstate Compact?

- What: A legislatively enacted contract among states
- Why:
 - Policy problems transcend borders
 - Addresses patchwork of state laws & regulations
 - Retains state sovereignty
- How: Compact Commissions administer and coordinate cooperation.

28

Factors Driving Licensure Portability Initiatives

29

Rural Health Transformation Program

\$50 billion, 5-year initiative to fund rural healthcare access

CMS tied program scoring and funding to state policy actions, including joining interstate compacts

Created an incentive for states to enact the Physician, Physician Assistant, Nursing, Psychology and EMS compacts

30

Few Facts about an Interstate Compact

- Simple, versatile, and proven tool
- Effective means to address common problems
- Contract between states
- Responds to national priorities with one voice
- Retains collective state sovereignty over issues belonging to the states
- Assist states in developing and enforcing standards while providing a structure that can evolve to meet new and increased demands as needed.

31

Is there more to
know about
compacts?

- There are over 270 active compacts
- Each state has enacted between **20 and 80 compacts** (AK: 36; FL: 37; IA: 44; LA: 40; NV: 37 & OK: 47)
- Compacts used for:
 - Borders and Land/Water Administration
 - Transportation
 - Other

32

What is an Occupational Licensure Compact

An interstate compact among states to improve workforce mobility for licensed professionals

States joining the compact agree to the compact uniform criteria by which qualified practitioners from a member state may utilize the compact pathway to practice

The compact pathway to practice streamlines the process compared to the traditional licensure model

Occupational licensure compacts are developed uniquely for a particular profession, or set of closely related professions

33

Policy Advantages of Occupational Licensure Compacts

- Two-way reciprocity among participating states
- Compliance standards among states ensures enforceability of provisions
- Does not supplant existing pathways and scopes of practice
- Voluntary for states to join and for practitioners to use

34

Occupational Compacts by the Numbers

- There are now 21 Occupational Licensure Compacts with 426 enactments, and 53 of those occurred in 2025 (AK: 8; FL: 5; IA: 15; LA: 9; NV: 8 & OK: 12)
- Professions with Interstate Compacts for Occupational Licensure (www.licensureproject.org)

35

Multi-Discipline Licensure Resource Center (licensureproject.org)

36

37

Best Known Compact

Driver's License Compact

46 states and DC participate

1st State: Nevada -1961

Alaska:1986; Florida: 1967; Iowa: 1965; Louisiana: 1968; Oklahoma: 1967

Tennessee was the last state - 2020

Not in the compact: Georgia, Maine, Michigan, and Wisconsin

38

39

40

41

42

Why a compact?

ADDRESS VARIATIONS
IN LAWS AMONG
JURISDICTIONS

ADDRESS DISCIPLINARY
PROCESSES ACROSS
JURISDICTION LINES

ADDRESS DIFFERENCES
IN LICENSURE
REQUIREMENTS

43

What are the benefits of PSYPACT?

Increases
client/patient
access to care

Facilitates
continuity of care
when
client/patient
relocates, etc.

Ability to readily
know legal
requirements

Promotes
cooperation
across PSYPACT
states in the area
of licensure and
regulation

Offers a higher
degree of
consumer
protection across
state lines

44

So, What is an Interstate Compact Commission

- What it is:
 - It's a ***body politic***
 - It's an ***instrumentality of the state governments*** which join the compact
 - It has rulemaking authority, and its rules have the effect of law in the member states
 - It is, therefore, a multi-state governmental rulemaking body
- What it is not:
 - It's ***not*** a nonprofit corporation
 - It's ***not*** a private "membership" organization
 - It's ***not*** a professional association

45

PSYPACT Governance Structure

- **PSYPACT Commission** – Make final decisions re: compliance issues, annual budget, rules, policies and bylaw amendments
- **PSYPACT Commission Executive Board** – Supervise the overall direction and vision, make initial recommendations re: compliance issues, annual budget, rules, policies and bylaw amendments
- **PSYPACT Commission Committees** – Consists of Commissioners and other members as designated by the Commission to evaluate the needs of the Commission
- **PSYPACT Executive Director and PSYPACT Specialists**– Manage the day-to-day operations of PSYPACT

46

47

48

49

51

52

Understanding How PSYPACT Works

Cross-State Telepsychology Services

PSYPACT allows licensed psychologists to offer telepsychology services across participating states, expanding client access to mental health care.

How it Works Flyer

PSYPACT Understanding How PSYPACT Works
Expanding Access to Psychological Services Across State Lines

The Psychology Interjurisdictional Compact (PSYPACT) is an interstate compact that allows licensed psychologists to practice across participating states without obtaining additional licenses in each state.

- Participating states pass PSYPACT legislation
- States join the PSYPACT Commission
- Licensed psychologists can apply for authorization to practice across state lines

Two Ways PSYPACT Supports Practice

1 APIT®
Authority to Practice Interjurisdictional Telepsychology

- For telepsychology only
- Prerequisite: ASPPB & Passport
- Practice from your Home State
- Client is located in a participating Receiving State

Impact: Expands virtual care across PSYPACT states.

2 TAP®
Temporary Authorization to Practice

- For in-person, face-to-face services
- Prerequisite: ASPPB IPC
- Up to 30 days per state, per year
- Practice in a participating Distant State

Impact: Supports short-term, in-person services across state lines.

How PSYPACT Fits Into Service Delivery

PSYPACT creates a structured pathway that:

- Reduces licensure barriers
- Increases continuity of care when clients relocate
- Expands access to telehealth
- Supports workforce mobility
- Maintains state authority and public protection

Psychologists remain licensed in their Home State and are subject to the laws of the state where the client is located.

Flowchart:

- States Enact PSYPACT
- State Joins Commission
- Psychologist Licensed in Home State
- Apply for APIT OR TAP
- Provide Services in Other PSYPACT States

Participating states must have enacted PSYPACT legislation. Learn more: www.psypact.gov

53

PSYPACT Snapshots
Key Updates & Progress

PSYPACT Commission
The PSYPACT Commission is the governing body of PSYPACT, responsible for creating the rules and regulations for the compact and for setting the standards and rules that govern PSYPACT. Each PSYPACT state has designated a representative to serve as their state's Commissioner. For more information about the meetings, as well as future meeting dates, please visit the PSYPACT website at psypact.gov.

PSYPACT Applications
On July 1, 2023, applications to practice under the authority of PSYPACT officially opened. There are two ways to practice under PSYPACT: A psychologist licensed in a PSYPACT state can apply to practice telepsychology and/or in-person services in other PSYPACT states.

Active Authorizations Issued by the PSYPACT Commission as of December 1, 2023:

15,593 APITs
Authority to Practice Interjurisdictional Telepsychology

896 TAPs
Temporary Authorization to Practice

What states/jurisdictions are APIT Holders providing telepsychology into?

State	APITs	State	APITs	State	APITs	State	APITs
AL	684	IN	363	ND	46	SD	53

Key Updates and Progress

Required Credentials

To practice under PSYPACT, psychologists must obtain an E.Passport (a prerequisite issued by ASPPB) and an APIT, certifying their eligibility to provide services. Must have the APIT issued by the PSYPACT Commission to practice under PSYPACT

Snapshots: Key Updates and Progress

54

How does telepsychology practice work under PSYPACT?

55

What PSYPACT Terms Are Important to Know?

■ **Home State**

- The state where the psychologist is licensed and located when providing telepsychology

■ **Receiving State**

- The state where the client/patient is physically located when the services are delivered

■ **Distant State**

- The Compact State where the psychologist is physically present (not through use of telecommunications technologies) to provide temporary in-person, face-to-face psychological services

■ **Authority to Practice Interjurisdictional Telepsychology**

- A licensed psychologist's authority to practice telepsychology within the limits authorized under PSYPACT

■ **Temporary Authorization to Practice**

- A licensed psychologist's authority to conduct temporary in-person, face-to-face practice within the limits authorized under PSYPACT

56

56

How does telepsychology work under PSYPACT?

4.5 A psychologist practicing into a Receiving State under the authority of PSYPACT will be subject to the Receiving State's scope of practice

4.10 State Law to Protect the Health and Safety of its Citizens:

57

Where to Find Information

- PSYPACT State Board Contacts:
(<https://psypact.gov/page/BDcontact>)
 - Email for boards
 - Main Page
 - Statute/Law
 - Rules & Regulations
- Telemental Health Laws app
(<https://www.ebqlaw.com/telemental-health-laws-app>)
 - Provided by Epstein, Becker & Green annually since 2016
 - Includes all 50 states, DC & Puerto Rico
 - Focuses solely on the remote delivery of behavioral health care services

58

59

Telemental Health Law App: Louisiana

- State Authority: Louisiana State Board of Examiners of Psychologists
- Licensing Requirements: Specific Requirements with links
- Practitioner-Patient Relationships: In 2015, the board issued general guidelines regarding telepsychology. Items are listed
- Informed Consent: Informed Consent is required for telemedicine services and specific requirements are listed
- Accepted Modalities: None identified but the 2025 guidelines are mentioned

60

61

62

ASPPB's E.Passport and Interjurisdictional Practice Certificate (IPC)

How do they work with PSYPACT

63

Does
PSYPACT
manage the
E.Passport and
its
requirements?

E.Passport is an ASPPB Certificate

Commission has an agreement with ASPPB to provide services regarding the vetting of the E.Passport.

E.Passport Requirements (<https://asppb.net/credentials-related-records/epassport/>)

64

Does
PSYPACT
manage the
IPC and its
requirements?

IPC is an ASPPB Certificate

Commission has an agreement with ASPPB to
provide services regarding the vetting of the IPC

IPC Requirements (<https://asppb.net/credentials-related-records/practicing-temporarily/>)

65

As of July 1, 2025, 6 pathways
to meet E.Passport and IPC
educational requirements
(<https://asppb.net/pathways-e-passport-epassport-asppb-licensure-psychology/>)

66

Pathways To Meeting Educational Requirements

18 Months of accreditation

Re-specialization

International Degree with NACES review

Certificate of Professional Qualification (CPQ)

Continuously licensed since 1985

Education requirements contained in the PSYPACT Legislation

67

Continuing Education Requirements for the E.Passport

- E.Passport holder must demonstrate proof three (3) hours of continuing professional development and/or continuing education relevant to the use of technology in psychology. Approved Continuing Professional Development for the E. Passport may include but not be limited to:
 - a. Academic Courses
 - b. Approved Sponsor Continuing Education
 - c. Self-directed learning (reading and/or videos-involves an unsponsored activity). A completed verification form provided by ASPPB must be completed.
 - d. Specialized technology training. A completed verification form provided by ASPPB must be completed or a completed certification form must be provided.

68

Does
PSYPACT
make sense
financially for
me?

- Fees:
 - Application: \$440 for E.Passport/APIT - \$240 for IPC/TAP
 - Renewal: \$140 for E.Passport/APIT - \$90 for IPC/TAP
- Psychology Board Licensing Fees (www.asppbcentre.org):
 - Average: \$346 Initial Application Fee
 - Average: \$315 License Renewal Fee

How Do I Apply to Practice Telepsychology under PSYPACT?

73

What do I need?

- In order to practice telepsychology under the authority of PSYPACT, you will need to obtain two PSYPACT related credentials:
 - ASPPB E.Passport AND
 - Authority to Practice Interjurisdictional Telepsychology (APIT) granted from the PSYPACT Commission
- You must first apply for and obtain an ASPPB E.Passport before your PSYPACT required APIT application will be started.
- **You cannot practice under PSYPACT until you have obtained your APIT**

74

Where Do I Go First to Apply?

www.psypro.org

The screenshot shows the PSYIPRO® website. On the left, a 'Manage Your Psychology Credentials' section includes a 'Secure account access' message and three tabs: 'Applications' (Track progress), 'Credentials' (Keep records current), and 'Reviews' (Monitor status). Below these is a 'What is PSYIPRO®?' section describing the platform's purpose and benefits. On the right, a 'Welcome to PSYIPRO®' login section features fields for 'Email' and 'Password', a 'Remember me' checkbox, a 'Forgot password?' link, and a 'SIGN IN' button. A link to 'Create one here' is also present.

75

Important Points to Note In the Application Process

- Must have your transcript sent to ASPPB and must be received and uploaded before you will be able to submit your application for review.
 - Electronically send transcripts to: transcripts@asppb.org
 - Mail transcripts to ASPPB, P. O. Box 849 Tyrone, GA 30290
 - For schools that have closed, contact Parchment at <https://www.parchment.com/order/my-credentials/>
- Must have three (3) hours of training relevant to the use of technology in psychology for the E.Passport at the time of application.

The screenshot shows the 'Credentials Bank - Examination' section. It includes a table for 'EXAMINATION FOR PROFESSIONAL PRACTICE IN PSYCHOLOGY (EPPP)' with columns for 'Date of Exam', 'Can. ID #', 'State/Province Taken For', 'Name', 'Type', and 'Actions'. Below this is a section for 'STATE/PROVINCE/TERRITORY BOARD EXAMINATION' with a similar table. Further down is a 'BOARD CERTIFICATION EXAMINATIONS' section with two questions: 'Have you passed the Board Certified Behavior Analyst Examination?' and 'Have you passed the Board Certified Assistant Behavior Analyst Examination?'. Each question has 'Yes' and 'No' radio button options. At the bottom, there are 'SAVE AS INCOMPLETE' and 'SAVE AS COMPLETE' buttons. Below these buttons is a section for 'Add Supporting Documents!' with a table for 'Date Uploaded', 'Title of Document', 'Section', 'Description', and 'Actions'.

Credentials Bank - Education

Use the "ADD" button to provide information on any of the degrees you hold. Adding a degree will enable you to submit an official verification of degree program directly to the Director you indicate. This verification of degree form will be completed electronically and automatically stored in your record. It is important to note that certain applications may have set requirements that are applicable to this section. **Don't forget your official transcripts!** Have your official transcripts sent electronically to transcripts@aspbb.org or by postal mail to ASPBB P.O. Box 848 Tyngs, GA 30280.

Add Supporting Documents!

Don't forget to save your work before adding a document! You can upload any documentation you find important to this section (e.g. unofficial transcripts, dissertation documents, program descriptions, recommendations, etc.)

"My Documents" allows you to store documentation relevant to your professional career. Any supporting documents you may have attached to sections of your Credentials Bank or certificate applications will be shown here. Official documents received and uploaded by ASPBB staff will be listed but will not be viewable. Click "ADD" to upload any additional documents for storage in your Credentials Bank.

Do I need to send my transcripts?

- Electronically send transcripts to: transcripts@asppb.org
- Mail transcripts to ASPPB, P. O. Box 849 Tyrone, GA 30290
- For schools that have closed, contact Parchment at <https://www.parchment.com/order/my-credentials/>

84

I have completed my E.Passport application but cannot submit, why?

IMPORTANT! YOU WILL NOT BE ABLE TO OFFICIALLY SUBMIT YOUR E.PASSPORT APPLICATION UNTIL WE HAVE RECEIVED AND UPLOADED AN OFFICIAL COPY OF YOUR TRANSCRIPTS TO YOUR E.PASSPORT APPLICATION. YOU WILL RECEIVE AN EMAIL WHEN YOUR TRANSCRIPTS HAVE BEEN UPLOADED TO YOUR APPLICATION.

85

How do I apply: Send a copy of your official transcripts to transcripts@aspqb.org.

E. Passport

Welcome to your application checklist! This checklist is specific to the certificate application you have selected. Use the "EDIT" buttons to complete each of the sections below. If you are unable to complete a section at one time, use the "SAVE AS INCOMPLETE" to save your progress and return at a later time. If you already have information stored in your Credentials Bank, it has auto-populated into your application and you will just have to review it to ensure that it is current.

Once you have saved each section as complete, you will be able to submit your application to ASPQB for review. Your Mobility Program Representative will complete the final verification process and your completed application will be sent through the formal review process. Check your "My Activity Summary" to stay informed about the status of your application as it progresses. If you have any questions during this process, please do not hesitate to contact your Mobility Program Representative directly or send us an email at aspqb@aspqb.org.

Rusty Von Barksalot, congratulations! You have been granted an APIT® (Authority to Practice Interjurisdictional Telepsychology) by The PSYPACT Commission!

Share on LinkedIn

View my
authorization

The PSYPACT Commission has determined that you have met all requirements for the Authority to Practice Interjurisdictional Telepsychology (APIT) and your application has been approved! You may now begin practicing telepsychology under the authority of PSYPACT in PSYPACT participating states. For a list of current PSYPACT participating states, please visit the PSYPACT website at: <https://www.psypact.org/psypactmap>.

As you begin to practice, there are a few important items to keep in mind:

1. In order to maintain your **APIT**, you must also maintain your **E.Passport®** with ASPPB®. Your E.Passport is valid for one year, beginning on your issue date. Be sure to renew your E.Passport and complete all necessary Continuing Education requirements in a timely manner in order to continue practicing under PSYPACT.
2. If you relocate to another PSYPACT participating state where you are licensed, be sure to let us know. You must keep your **HOME STATE** of licensure current in PSYPRO® (www.psypact.org) at all times. To access your Home State declaration page in PSYPRO, select "Home State Declaration" in the APIT line item listed in your Application History and update as needed.

***IMPORTANT:** For the practice of telepsychology under PSYPACT, Home State is the PSYPACT state where you are licensed to practice

93

How Do I Renew My Authority to Practice Under PSYPACT?

94

What is the renewal process?

- E.Passport First
 - Use the red link to access the renewal
 - Complete the entries- include CE Information
 - Submit for Review
- APIT Second:
 - Once Receive Email about Successful E.Passport Renewal
 - Complete all sections including declaring a Home State
 - Submit for Review

Compact Rules, Policies & Laws

Commission » Compact Rules, Policies & Laws

Compact Law, Bylaws, Rules and Policies

Introduction

The Psychology Interjurisdictional Compact Commission is a quasi-governmental agency and is the sole entity permitted to administer the Compact. In doing its administrative work, the Commission must not only follow the language of the Compact, but also the rules and policies created by the Commission to govern itself.

The Commission's governance materials can be found on this page. Please see each section below for a brief description and its pertinent governance materials.

Where can I find the PSYPACT governing documents?

<https://psypact.gov/page/governance>

103

Governance Documents of Interest: Rules

- Rules
 - Rule 4 – Compact Privilege to Practice Telepsychology
 - 4-5
 - 4.10 State Law to Protect the Health and Safety of its Citizens
 - 4.11 – Authorization Validity
 - Rule 5 – Compact Temporary Authorization to Practice
 - 5.10 State Law to Protect the Health and Safety of its Citizens
 - 5.11 – Authorization Validity
 - Rule 6 – Conditions of Telepsychology Practice into a Receiving State – Scope of Practice

104

Governance Documents of Interest: Policies

- Policy 1.29 – PSYPACT’s Use of AI
- Policy 1.32 – Process for Cooperation with External Organizations
- Policy 2.3 – Application Review Process
- Policy 2.4 – Authorization Holder Notification – Home State/Licensure Change
- Policy 2.6 – Advertising PSYPACT Credentials

105

Grounds for Revocation: Rule 4.14/5.14

- An authorization may be revoked by the PSYPACT Staff or by the Requirements Review Committee whenever the Staff or Committee has sufficient evidence that the Authorization Holder has engaged in acts, including but not limited to the following:
 - A. Fraud or deception in applying or renewing an APIT and/or TAP;
 - B. Misrepresentation of APIT and/or TAP status;
 - C. Practicing with an expired APIT and/or TAP;
 - D. Notification of adverse or disciplinary action by a psychology regulatory entity;
 - E. Violation of APIT and/or TAP acknowledgments;
 - F. Failure to provide requested information to the Commission in the specified timeframe;
 - G. Failure to comply with PSYPACT Commission Rules and/or Policies; or
 - H. Receiving any other adverse or disciplinary action.

106

Compliance & Enforcement

107

PSYPACT and Adverse Actions

A Home State always has the authority to impose adverse actions against a license issued by that state

A Distant State can take adverse action against a Temporary Authorization to Practice in that state

A Receiving State can take adverse action against an APIT in that state

PSYPACT AND DISCIPLINE:

Understanding the Role Each State Plays

One of the main purposes of PSYPACT is to provide states with a regulatory mechanism designed to address disciplinary issues that occur across state lines in other compact states. PSYPACT specifies the role each state plays concerning disciplinary issues related to the practice of telepsychology and temporary in-person, face-to-face practice across state lines in PSYPACT states.

Telepsychology	HOME STATE	Temporary Practice
RECEIVING STATE PSYPACT requires that a psychologist obtain an AUTHORITY TO PRACTICE INTERJURISDICTIONAL TELEPSYCHOLOGY (APIT). Psychologists can then practice telepsychology in a: ➤ As a prerequisite of the APIT, a psychologist must obtain an E-Passport Certificate to practice telepsychology in a RECEIVING STATE. ➤ A psychologist is subject to the RECEIVING STATE'S scope of practice. ➤ A RECEIVING STATE can limit or revoke a psychologist's Authority to Practice Interjurisdictional Telepsychology. ➤ If a RECEIVING STATE takes action, it will notify the HOME STATE and the PSYPACT Commission. ➤ A HOME STATE will investigate and take appropriate action on reported inappropriate conduct in a RECEIVING STATE as it would if such conduct had occurred within the HOME STATE. ➤ A HOME STATE'S law will control in determining any adverse action against a psychologist's license. If a psychologist's license in any HOME STATE, another COMPACT STATE, or Authority to Practice Interjurisdictional Telepsychology in any RECEIVING STATE, is restricted, suspended or otherwise limited, the APIT will also be revoked, and the psychologist will not be eligible to practice telepsychology in a COMPACT STATE under the Authority to Practice Interjurisdictional Telepsychology.	HOME STATE A psychologist must hold a current, full and unrestricted license to practice psychology in a HOME STATE, which has enacted PSYPACT. A HOME STATE maintains authority over the license of any psychologist practicing under the authority of PSYPACT. A HOME STATE can impose adverse action against a psychologist's license issued by the HOME STATE. All HOME STATE disciplinary orders which impose adverse action are reported to the PSYPACT Commission. psypact.gov	DISTANT STATE PSYPACT requires that a psychologist obtain a TEMPORARY AUTHORIZATION TO PRACTICE (TAP). Psychologists can then practice temporarily in a: ➤ As a prerequisite of TAP, a psychologist must obtain an Interjurisdictional Practice Certificate (IPC) to conduct temporary practice in a DISTANT STATE. ➤ A psychologist must practice within the scope of practice of the DISTANT STATE and is subject to the DISTANT STATE'S authority and law. ➤ A DISTANT STATE can limit, revoke or take adverse action on a psychologist's Temporary Authorization to Practice if a DISTANT STATE takes action, it will notify the HOME STATE and the PSYPACT Commission. ➤ A DISTANT STATE will investigate and take appropriate action on reported inappropriate conduct which occurred in that DISTANT STATE as it would if such conduct had occurred within the HOME STATE. ➤ A DISTANT STATE'S law will control in determining any adverse action against a psychologist's Temporary Authorization to Practice. If a psychologist's license in any HOME STATE, another COMPACT STATE, or Temporary Authorization to Practice in any DISTANT STATE is restricted, suspended or otherwise limited, the TAP will also be revoked, and the psychologist will not be eligible to practice in a COMPACT STATE under the Temporary Authorization to Practice.

Office of Inspector General

<https://oig.hhs.gov/compliance/ma-icpg/>

- Falls under the Department of Health and Human Services (HHS)
- Purpose is to prevent and detect fraud, waste, and abuse, and promote the economy, efficiency, and effectiveness of HHS programs
- Majority of resources go towards oversight of Medicare and Medicaid
- Pillars of program:
 - Prevention
 - Detection
 - Enforcement

109

ENFORCEMENT AND COMPLIANCE— OIG'S JULY 2022 SPECIAL FRAUD ALERT

Provides information for practitioners to help identify potentially "suspect" arrangements with telemedicine companies

OIG encourages practitioners to use heightened scrutiny and exercise caution before entering into arrangements with telemedicine companies

Includes an illustrative list of "suspect characteristics" related to provider arrangements with telemedicine companies that, taken together or separately, could suggest an arrangement presents a heightened risk of fraud and abuse

Read the full Special Fraud Alert [here](#)

Special Fraud Alert: OIG Alerts Practitioners To Exercise Caution When Entering Into Arrangements With Purported Telemedicine Companies July 26, 2022

I. Introduction

The Office of Inspector General (OIG) has conducted dozens of investigations of fraud schemes involving companies that purported to provide telehealth, telemedicine, or telemarketing services (collectively, Telemedicine Companies) and exploited the growing acceptance and use of telehealth. For example, in some of these fraud schemes Telemedicine Companies intentionally paid physicians and nonphysician practitioners (collectively, Practitioners) kickbacks to generate orders or prescriptions for medically unnecessary durable medical equipment, genetic testing, wound care items, or prescription medications, resulting in submissions of fraudulent claims to Medicare, Medicaid, and other Federal health care programs. These fraud schemes vary in design and operation, and they have involved a wide range of different individuals and types of entities, including international and domestic telemarketing call centers, staffing companies, Practitioners, marketers, brokers, and others.

One common element of these schemes is the way Telemedicine Companies have used kickbacks to aggressively recruit and reward Practitioners to further the fraud schemes. Generally, the Telemedicine Companies arrange with Practitioners to order or prescribe medically unnecessary items and services for individuals (referred to here as "purported patients") who are solicited and recruited by Telemedicine Companies. In many of these arrangements, Telemedicine Companies pay Practitioners in exchange for ordering or prescribing items or services: (1) for purported patients with whom the Practitioners have limited, if any, interaction; and (2) without regard to medical necessity. Such payments are sometimes described as payment per review, audit, consult, or assessment of medical charts. Telemedicine Companies often tell Practitioners that they do not need to contact the purported patient or that they only need speak to the purported patient by telephone. In addition, Practitioners are not given an opportunity to review the purported patient's real medical records. Furthermore, the Telemedicine Company may direct Practitioners to order or prescribe a prescribed item or service, regardless of medical necessity or clinical appropriateness. In many cases, the Telemedicine Company sells the order or prescription generated by Practitioners to other individuals or entities that then fraudulently bill for the unnecessary items and services.

These schemes raise fraud concerns because of the potential for considerable harm to Federal health care programs and their beneficiaries, which may include: (1) an inappropriate increase in

110

ENFORCEMENT AND COMPLIANCE— OIG'S SEPTEMBER 2022 DATA BRIEF

OIG evaluated Medicare fee-for-service claims data and Medicare Advantage encounter data for the first year of the pandemic (Mar. 2020 thru Feb. 2021)

OIG developed 7 potential indicators of fraud, waste, or abuse:

- Billing both a telehealth service and a facility fee for most visits;
- Billing telehealth services at highest, most expensive level every time;
- Billing telehealth services for a high number of days in a year;
- Billing both Medicare FFS and a Medicare Advantage plan for the same service for a high proportion of services;
- Billing a high average number of hours of telehealth services per visit;
- Billing telehealth services for a high number of Medicare beneficiaries; and
- Billing for a telehealth service and ordering medical equipment for a high proportion of Medicare beneficiaries

- Verifiable & have built in security measures
- Only active Authorization Holders will be issued a digital badge
- Shareable on social media, websites, and signature blocks

Temporary Authorization to Practice (TAP®)

Authority to Practice Interjurisdictional Telepsychology (APIT®)

113

Verification of PSYPACT Authorizations

PSYPACT is an interstate compact that allows psychologists authorized by the PSYPACT Commission to practice telepsychology and/or practice temporarily into other PSYPACT participating states. To practice telepsychology under the authority of PSYPACT, a psychologist must have an active Authority to Practice Interjurisdictional Telepsychology (APIT) granted from the PSYPACT Commission. To practice temporarily under the authority of PSYPACT, a psychologist must have an active Temporary Authorization to Practice (TAP) granted from the PSYPACT Commission. The PSYPACT Commission provides online primary source verification of these authorizations. To view all psychologists holding a current APIT or TAP, use the search by method below to get started. If you have any questions or need any additional information for PSYPACT verifications, contact us at info@psypact.org.

Is There a Directory for Authorization Holders?
<https://psypact.gov/page/Directory>

The screenshot shows the PSYPACT Directory website. At the top, there is a navigation bar with links: ABOUT, COMMISSION, PSYPACTMAP, AUTHORIZATION TO PRACTICE, VERIFY, LEGISLATIVE RESOURCES, and SIGN IN. Below the navigation bar, the text "PSYPACT Directory" and "16,254 Directory Members" is displayed. A banner with a hand holding a magnifying glass over a document icon says "Need help navigating the directory? Check out our tutorial on YouTube!". Below the banner, there is a search bar with "Search by:" and a dropdown menu for "Profile Name". To the right of the search bar, there are filters for "Default (Most completed)" and "Page 1 of 813". The main content area shows a profile for Anne Edwards, Psy.D., with a photo, a bio, and a list of credentials. The credentials include "Authority to Practice Interjurisdictional Telepsychology - Annual Renewal" and "Authority to Practice Interjurisdictional Telepsychology - Annual Renewal". The languages served are English, Spanish, and American Sign Language (ASL).

PSYPACT
Annual Report
for 2025
https://cdn.ymaws.com/psypact.gov/resource/resmgr/annual_report_final_2025_psypact_annual_re.pdf

The image shows the cover of the PSYPACT Commission Annual Report 2025. The cover has a teal background with a dark blue geometric shape on the left. The PSYPACT logo is prominently displayed in the center. Below the logo, the text "PSYPACT Commission" is written in large white letters. At the bottom, it says "ANNUAL REPORT 2025" and "JUNE 2026".

Where can I find out more about PSYPACT?

PSYPACT PARTICIPATING STATES (46 ENACTED, 43 EFFECTIVE)

PSYPACT is leading the nation in providing a single-point-of-entry for psychologists seeking authorization to practice in other states.

Interested in applying for PSYPACT® authorizations? Here's how.

First you will need to decide which method you would like to provide services under the authorization of PSYPACT.

Temporary/Long-term authorization

APPE®

Authority to Practice Interjurisdictional Telepsychology

OR

Temporary to practice, then to new authorization

TAP®

Temporary Authorization to Practice

PSYPACT: ADVANCING THE INTERJURISDICTIONAL PRACTICE OF PSYCHOLOGY®
Reducing regulatory barriers. Increasing access to mental healthcare.

Hi,
I am PSY, the Mascot of
the Psychology
Interjurisdictional
Compact (PSYPACT).

PSY is a closed-system, AI assistant trained by PSYPACT using resources from the PSYPACT website.
PSY can answer questions about PSYPACT and help users navigate our website.

Try asking me questions like:

How do I change my Home State?

How do I renew my TAP?

How many states are members of PSYPACT?
