

2026 NATIONAL LIMOUSIN JUNIOR SHOW

The National Limousin Junior Show is an annual 4-day event to encourage young people to get involved and learn skills in the beef and agriculture industry. Youth aged 5-25 years are able to get involved in a hands-on program of education activities and judging events.

The 2026 event will be held from the 9th-12th July in Dubbo, NSW. The event continues to grow each year and attracts over 100 participants and their friends, families and schools from across Australia. As a youth-led initiative, the National Limousin Junior Show relies on the support of many partners to help deliver this unique event to encourage and inspire the next generation of the beef industry. Please see below for the range of partnership opportunities available
