SMART CARDS

TERMS AND CONDITIONS

At Kedron Dells Golf Club, our Smart Cards offer a convenient way to pre-purchase your rounds for the season. With an individual Smart Card account, your rounds are securely stored electronically, eliminating the need for a physical card. After purchasing your number of rounds you'd like to play, they'll be ready for you whenever you hit the course!

By purchasing and using a Smart Card at Kedron Dells Golf Club, you agree to the following terms and conditions:

Photo ID Requirement

- You must present a valid photo ID on your first visit to the course when using your Smart Card.
- To ensure the security of your rounds, a photo will be taken and linked to your account. This helps verify your identity and prevent any unauthorized use of your account.

Rounds Redemption

- For every round you play, 1 round will automatically be deducted from your Smart Card total.
- A receipt will be provided after check-in, showing the remaining number of rounds left on your Smart Card.

Non-Transferable

- Smart Card rounds cannot be shared with others and are non-transferable.

Injury Condition

- If you sustain a projected long-term injury that may prevent you from fully utilizing your purchased rounds, you must notify the Pro Shop or management within 7 days of the injury.
- All credit requests will be reviewed and handled on a case-by-case basis.

Club Tournaments

- When purchasing 24 or more green fee packages you will receive the ability to play in 3 Kedron Dells Club Tournaments (4 rounds total).
- Registration Fee not included in Smart Card fee.
- Golfers must have a registered Golf Canada handicap to participate.
- These rounds cannot be substituted to be played outside of the Club Tournaments.
- These rounds are bonus rounds, included in the 24 round package and DO NOT require redemption of any purchased rounds.
