About The Academy

Since 1982, we've been dedicated to designing an English language program tailored to help you broaden your horizons and open doors to a successful career and a fulfilling future. Our classes offer flexible schedules, modern teaching methods, and affordable tuition.

At the Academy, you'll build strong communication skills for academic, professional, and everyday settings. Our professionally trained ESL instructors use the latest methods, materials, and curriculum to support your success.

The Academy Experience

When you arrive at the Academy, you'll be welcomed by a diverse student body, along with friendly staff and instructors. Connect with classmates from around the world in our Academy Café and Student Lounge. Enjoy exciting field trips that let you explore the San Francisco Bay Area through visits to popular sites and cultural venues. Combined with our established program, the Academy experience offers you the chance to practice English daily while being fully immersed in American culture.

"I love the teachers and staff at AAE! Classes were fun and I learned a lot. It was wonderful to interact on a daily basis with students from all over the world."

Program

At the Academy, our program uses modern, effective teaching methods to make learning English both rewarding and enjoyable.

Intensive English Program – Core Courses

These courses develop English language skills while introducing students to American culture. We offer classes at all levels, including ESL 200 – Beginning ESL, ESL 300 – Intermediate ESL, and ESL 400 – Advanced ESL.

TOEFL Test Preparation Skills

The TOEFL exam assesses English proficiency for college or university admission. The ESL 500 – TOEFL Test Preparation Skills course is designed to improve test-taking strategies, strengthen language skills, and build confidence through regular practice tests.

Intensive ESL for Academic Purposes

ESL 700 – Intensive ESL for Academic Purposes is designed to prepare students for academic success. The course develops the skills necessary to succeed in a college or university setting. Upon completion, students will meet the English proficiency requirements for admission to our partner institutions.

"They are very kind and helpful with everything we need. The teachers are very smart and efficient. I definitely learned English from the best."
