

A PRACTICAL FULL-SIZE STARTER LIST

Furnish Your Room on a Budget

Most Community Room Rental private bedrooms are offered unfurnished, while shared kitchens and common areas are already furnished. Through our relationship with IKEA, we put together a practical list that lets you start with the essentials and add a workspace or storage when your budget allows.

Measure before buying: Room sizes and layouts vary. Confirm that a Full-size bed and each item will fit your specific bedroom, doorway and planned location.

Substitutes the ÅSBYGDA for the basic ÅGOTNES

Wall-anchoring rule: The VIHALS dresser must be anchored to a wall. Contact Community Room Rental and receive written approval before drilling, mounting or attaching anything to the property. Choose a different storage option if anchoring cannot be approved.

Before you place the order

- ✓ Measure the room, doorway and planned furniture location.
- ✓ Confirm your listing: most bedrooms are unfurnished, but the listing controls.
- ✓ Protect floors and walls during delivery and assembly.
- ✓ Verify the article number, current price and Charlotte-area inventory.
- ✓ Budget for tax, delivery, assembly, bedding, a mattress protector and the lamp bulb.
- ✓ Remember that you may bring your own furniture or select different products.
