

September Newsletter 2026

From the President's Desk

Justin Yetmar
2026 Chamber
President

Dear Chamber Members,

As we turn the calendar to September, there is a lot happening throughout Carroll, but I want to use this month's message to focus on something we are especially excited about—Celebrate Carroll.

Our goal is to create a true community celebration—one that gives our businesses, schools, organizations, non-profits, clubs, and residents an opportunity to showcase who they are and everything they bring to Carroll.

The parade remains an important part of the day, and we want to see our local businesses and organizations come out in a big way. Whether that means entering a float, highlighting your organization, or simply finding a creative way to participate, this is an opportunity to put your organization in front of the community and help us make year one special.

Celebrate Carroll is about much more than a parade. We want to create a full day of activities that brings people together. The bands are ready to play in the bandshell, family activities and events are booked, and our organizers continue to work hard to make this a day with something for everyone.

We also hope the event encourages people to get out and experience everything our community has to offer. Shop our local businesses, enjoy a meal or drink at one of our restaurants, explore our parks and amenities, and discover somewhere in Carroll you may not have visited before. Supporting our local businesses and organizations is an important part of building a strong community.

New traditions take participation. They take businesses willing to get involved, volunteers willing to help, and community members willing to show up and support them. We hope everyone will embrace Celebrate Carroll and help us make the first year the beginning of something special.

If your business or organization hasn't made plans to participate yet, I encourage you to reach out to the Chamber. Get involved,

join the parade, bring your employees and families, and help us Celebrate Carroll.

We look forward to seeing everyone in October!

Sincerely,

Justin Yetmar
