

How to Install (Accessibility Solution)

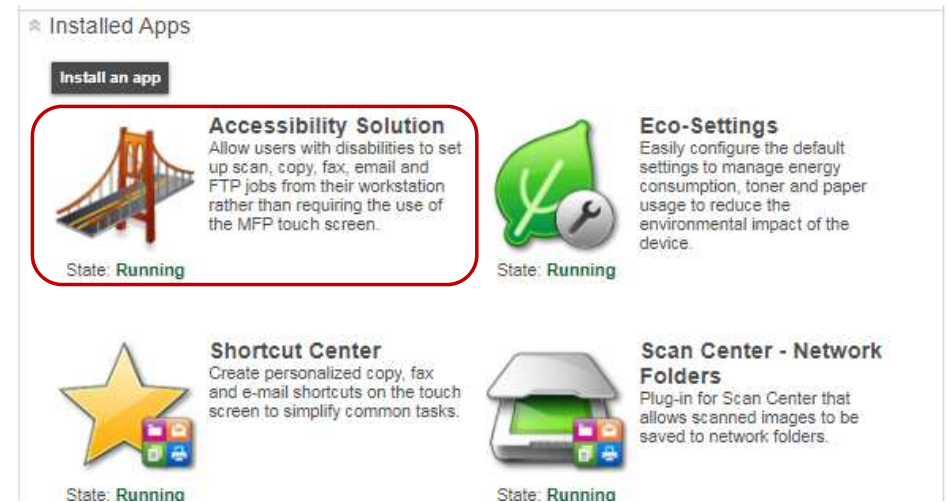

1. Download the Apps and store your PC.
2. Open a web browser, type machine IP address in the address field.
3. Click “Apps”, and “Install an app”.

4. Click “Browse” and select “Accessibility_xxxxx.flx” file then Install.

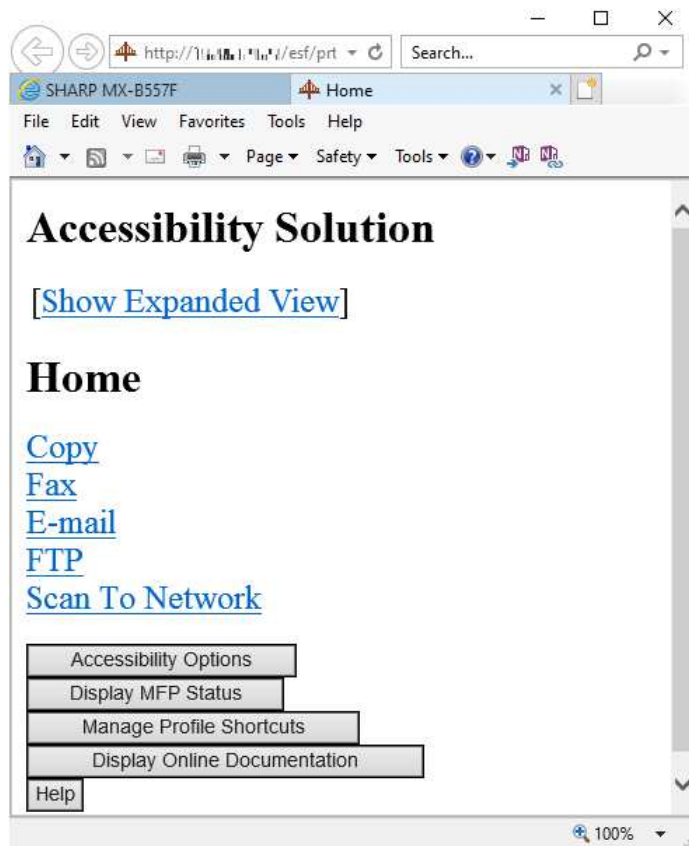

5. When installation succeeds, the “Accessibility Solution” icon automatically appears on the Apps of the machine web page.
No icon appears on the Advanced Mode.

Accessibility Solution Overview

Makes MFPs easy to use for disabled workers.

Allows users with disabilities to set up copy, fax, e-mail, FTP and scan jobs directly from their PC using the machine web page rather than requiring use of the MFP touch-screen display.

Accessibility Default Page

For example, users can set Sides (Duplex) as follows.
