Each entry includes an 'Amount' field (set to \$0.00), a 'Fund' dropdown menu (set to 'Hunger Offering' and 'Common Good Fund' respectively), and a 'Memo' field (empty). Below these entries is a button labeled '+ Another Fund' for adding more funds. At the bottom, there are two buttons: 'GIVE ONCE' (selected) and 'GIVE MULTIPLE TIMES'. A 'Gift date' dropdown menu is set to 'Today'. A large red 'Continue' button is prominently displayed at the bottom right. A summary at the bottom shows a total of \$0.00.

Setting up Recurring Giving

For recurring gifts, you can select 1 or more funds, enter the amounts of your gifts, and select "GIVE MULTIPLE TIMES." You will then be able to select a start date for your first gift and the gift frequency (every week, every 2 weeks, every month, twice a month, every 3 months, or annually). Click "Continue" to enter the payment information.

The screenshot shows the "Newlonsburg Presbyterian Church" recurring giving setup page. At the top, it asks "How much would you like to give?" with two entries: one for the "Hunger Offering" fund set at \$0.00, and another for the "Common Good Fund" fund also set at \$0.00. Each entry includes an "Amount" field, a "Fund" dropdown, a "Memo" field, and a delete "X" button. Below these entries is a "+ Another Fund" button. The page then branches into "GIVE ONCE" and "GIVE MULTIPLE TIMES" options. Under "GIVE MULTIPLE TIMES", it lists frequency options: "EVERY WEEK", "EVERY 2 WEEKS", "EVERY MONTH", "TWICE A MONTH", "EVERY 3 MONTHS", and "ANNUALLY". The "EVERY WEEK" option is selected. A "Start date" dropdown is set to "Today", with a "+ END" button next to it. A prominent red "Continue" button is located below the frequency selection. At the bottom, a "SUMMARY" section shows a total of "\$0.00" given "every week".

If you want to set up recurring giving for multiple funds at different frequencies, just complete the form for each frequency (ex. Common Good gifts every quarter, hunger offering every month). Your payment information should save in the system, so you will only be required to enter it once.
