The Pre-Kindergarten program includes emphasis on reading readiness, math readiness, fine and gross motor development, as well as social skills, art, and music activities. Pre-K students must be potty trained, unless unusual circumstances exist.

We create an active learning environment with activities that incorporate as many of the senses as possible. Our daily schedule includes an age-appropriate structured learning time, as well as opportunities for free play. Each day allows time for arts and crafts, singing, stories, sharing, and bike room. Our program is supplemented with experiences on weather, seasons, animals, plants, and special holidays.

On Thursday's we add special enrichment opportunities, continuing our focus on the current letter, number, shape, etc. while incorporating exciting and playful science and math activities. Thursdays are optional only for the afternoon PreK class. Ours is a very full, busy, and FUN year. We look forward to meeting you and your child!

### **Three's Class (3 years old on or before September 1, 2026)**

AM 3-day: Tues, Wed, Thurs Mornings 9:00-11:30 (Tuition \$185/month)

Lunch Bunch available Tuesdays, Wednesdays, and Thursdays from 11:30-12:30

The Three's classroom environment is designed to encourage interaction and cooperation among the children. Sharing, using manners, developing listening skills, and following directions are all key elements of the program. The children learn to incorporate all these behaviors while discovering and experiencing colors, numbers, shapes, weather, and the seasons.

The children also develop name recognition and use scissors as well as several different types of writing utensils (crayons, paintbrushes, pencils, etc.). They enjoy stories, arts and crafts, the bike room, and time with our Music teacher two days a week. Most importantly, they have fun while learning! The Threes program initiates the social and academic beginnings of a school environment.

Children entering the Three-Year-Old class should generally be able to attend to their own bathroom needs (i.e. pulling down, wiping, pulling up, washing hands, etc.) with minimal teacher assistance.

### **Two's Class (2 years old on or before September 1, 2026)**

Only morning classes 9:00 – 11:30am (Tuition \$125/month)

Choice of days: Monday & Wednesday or Tuesday & Thursday

Lunch Bunch available Tuesdays, Wednesdays, and Thursdays from 11:30-12:30

In the Twos class, our primary goals are to help your child separate comfortably from parents or caregivers and build a foundation for early learning. We follow a routine that includes free play, circle time, bike room, arts and crafts, stories, games, and time with our Music teacher weekly. We introduce weather, colors, and numbers (1-5). The children learn to make friends, as well as practice following directions and safety rules. Our days are filled with fun! There is no such thing as a "terrible two!"

### **Nursery Class (10 months – 2 years old)**

Tuesday & Thursday morning classes 9:00 – 11:30am (Tuition \$125/month)

Our nursery program is designed to support the development of our youngest children by providing a safe, stimulating environment where caregivers encourage social, emotional and cognitive growth. We help children become comfortable separating from their caregivers and reinforce that you will always return at the end of the day! Through age-appropriate play, music, and interaction, babies and toddlers work to develop their communication skills, curiosity, and confidence while having fun with others.

Lunch Bunch is available Tuesday and Thursdays from 11:30-12:30 for the Nursery class as well.

### **Lunch Bunch:**

An optional lunch program is available to all age levels from 11:30-12:30 on Tuesdays, Wednesdays, and Thursdays. The children really enjoy bringing their lunch and having extra playtime with their teachers and friends! Each class level has a limit for the number of children we can safely accommodate for Lunch Bunch, and spots fill quickly. At registration, you may request up to two days/week for the upcoming school year. (If a third lunch day becomes an option, your child's teacher will let you know)

1 Lunch Bunch day/week: Add \$25/ month to your tuition payment.

2 Lunch Bunch days/week: Add \$50/month to your tuition payment.

**General Fees:**

Registration Fee: \$50 (nonrefundable and paid after registration to hold class placement)

Materials Fee: \$25 (one time fee collected at the start of the school year)
