EVANGELUS MEMBER FORM

Evangelus is a communications tool which helps St. Mary of Mount Carmel Parish to easily communicate to all our parishes with up to the moment information concerning parish life (e.g. – cancellations, change in event times, etc.) through email, text, the Evangelus App, social media, and website. Providing contact information requested below, we will enter your contact information into our program, and you will receive a text message inviting you to opt in and receive these parish updates as they are sent, receiving them in a manner of your choosing: text message, Facebook message and more!

Because these updates are sent as a typed message, it is necessary for you to provide your cell number, email address or both. Rest assured, this information is for administrative use only and will remain confidential.
