

EUROPE SUMMER PROJECT

COLLEGE | APPLICATION REQUIRED
INTERNATIONAL

May 17 - July 15, 2027 | \$5,700 per person*

**prices subject to change*

Over 83 million people live in our project country, with less than 1% being Evangelical Christians. These people are lost and are looking for something, and the only thing that will fill them is the good news of Jesus Christ. Participants will be overseas for eight weeks, working with an International Mission Board team already there. While there, we will be meeting with students on the college campus to build relationships and share the gospel with them. We will also be involved in local churches.
