# parent pathway

Second Baptist desires to walk with parents in Next Step Intentionality, equipping them to be the primary faith trainers in their home. These classes will be lecture style and discussion based, held in room 103 from 6-7:15PM (dates & topics listed below).

## Mental Health

September 3 and 10

Led by Stephanie Watson  
This session is designed to give families ways to cultivate good mental health in kids and teens. It will also provide tools to support them when they have mental health struggles. Finally, it will show how the way God made us, mentally and physically, is revealed through Scripture and reflects our need for connection with our Heavenly Father.

## Technology

September 17 and 24

Led by Dr. Bill DuVall  
Professor of Psychology and Dean at Southwest Baptist University. This class will give a broad based overview of the effects of types of technology on kids and teens and walk through intentional and meaningful practices for families on how to use technology in God honoring ways.

## Science & Scripture

October 1 and 8

Led by Dr. Scott Turner  
Contrary to cultural belief, there is no conflict between the Bible and science. The conflict lies in how the evidence of the physical universe is interpreted. Equipping your kids and teens with the knowledge of how we know the first 11 chapters of Genesis are true will protect them as they face an unbelieving world.

### **DARING JOY by Nicole Zakowski**

Led by Colleen Dunning

**September 2 – October 14 | \$20 per book | Room 103**

God's Word shows us time and again that the joy of the Lord has nothing to do with current events and circumstances and everything to do with who He is and who we are in Him. This book is about what six women in the Bible teach us about the power of celebration when it feels risky, complicated and even impossible. (Eve, Sarah, Miriam, Mary, the mother of Jesus, Elizabeth, and Mary Magdalene).

### **PRECEPTS: EPHESIANS: THE CHURCH ROOTED IN LOVE, WALKING IN POWER**

**by Kay Arthur**

Led by Susan Hansen

**September 2 – November 4 | \$25 per book | Room 100**

Before Paul even hints at how believers should live, he lays a rock-solid foundation: who we are in Christ! If you think you're just a cog in a machine, if you don't know your true identity, then this study is for you. Praise God for what He planned in eternity past and is waiting to reveal to you now . . . through the study of His Word.

### **THE SPIRIT-FILLED TEMPERAMENT by Tim LaHaye**

Led by Carol Jameson

**September 2 – October 14 | \$10 per book | Room 102**

Find out what makes you tick. Who are you and why do you do the things you do? We are all born with a particular type of temperament with distinct strengths and weaknesses. In Spirit-Controlled Temperament, Dr. Tim LaHaye shows us how God can transform your natural weaknesses and make you a dynamic and effective Christian. Whether you are a Sanguine, Choleric, Melancholy, or Phlegmatic, you can learn how to live above anger, fear, depression, and selfishness.

### HE IS ENOUGH by Asheritah Ciuciu

Led by Janie Metsker

**September 3 – October 15 | \$10 per book | Room 104**

The Bible says that Jesus is enough. And we believe it. But how in the world do we convince our stubborn hearts to live it out? This study is a verse-by-verse journey through Colossians that will show you how to internalize the reality of Christ's sufficiency. If you are tired of seeing satisfaction that's "just around the corner," come and encounter the God who is here and who is enough.
