The island of Oahu, Hawaii, is home to more than 230,000 military-affiliated people, making it one of the largest and most strategic military communities in the world. Because families rotate every 2 to 3 years, the region is both highly unreached and uniquely open to the Gospel. Our team is heading to Oahu to partner with Valor Church Pearl Harbor. Valor Church is a new church plant focused on reaching and discipling military families. For eight weeks, we will serve alongside their team as we engage neighborhoods, support outreach efforts, build relationships, and strengthen discipleship pathways. We are expectant for what God will do as we partner with Valor Church to share the hope of Jesus with those who serve our nation in Pearl Harbor.
