**prices subject to change*

Join us for a mission trip to a Rodeo camp in Johnstown, Nebraska, open to adults and/or families. This trip offers a unique opportunity to engage with the local community through the exciting world of rodeo, which resonates deeply with Nebraska's youth.

Activities: For nearly 12+ years, we have participated in this camp, where our mission is to share the love of Christ in a setting that captivates the hearts of young people. Participants will assist with various tasks, including:

- **Logistics:** Cooking and serving meals; setting up, cleaning up, and tearing down; providing crafts; and acting as timers and scorekeepers during rodeo events.
- **Spiritual Engagement:** Helping campers memorize scripture, study the Bible, and share the gospel.
- **Relationship Building:** Connecting with local ranchers and the youth attending the camp and being an example of Jesus Christ and His love to those who are there.
- **Free time:** You'll have the chance to build relationships and fellowship, watch rodeo events, and rest.

Purpose: This mission trip not only focuses on service but also provides the chance to grow your evangelism skills and build meaningful relationships with youth and adults. There will be over 150 kids from all over Nebraska at camp, giving you an opportunity to share your faith and engage in Bible study. You will be challenged to be an example of Jesus Christ and his love as you serve. No prior farm experience is needed—just a heart to serve and share the gospel. Join us for an unforgettable experience that combines faith, fun, and fellowship!
