Esther by Kelly Minter

Colleen Dunning, Facilitator | January 6 – February 17 | Book cost \$23.00 (with video access)

A beautiful queen, her courageous cousin, a foreign land, and a murderous adversary – the book of Esther has all the elements of an epic drama. Its pages give us a picture of a God whose hand is at work in every scene and circumstance. Although our times look different from Esther's, our God is just as active and faithful today, and He has called you for such a time as this.

Discerning the Voice of God: How to Recognize when God Speaks by Priscilla Shirer

Cindy Smith, Facilitator | January 6 – February 17 | Book cost \$20.00 (with video access)

Priscilla Shirer reminds women that hearing God's voice comes from realizing what salvation does in our spirits and a commitment to humble obedience. Through this study you will become more familiar with God's Holy Spirit, His character, language, and tone of voice.

Precepts: Colossians & Philemon

Susan Hansen, Facilitator | January 6 – March 3 | Book cost \$25.00

See precisely what the Bible says about early church members' relationships with God. What does it mean to be "complete in Christ"? Is Christ your "all in all" - does He meet all your needs? Don't let anyone delude you with man-made philosophies or traditions that contradict the Word of God.

Victory Over the Darkness by Neil T. Anderson

Carol Jameson, Facilitator | January 6 – February 24 | Book cost \$11.00

"You will know the truth, and the truth will set you free." Victory Over the Darkness emphasizes the importance of believing and internalizing the cardinal truths of Scripture as a base from which to renew the mind and fend off the attempts of Satan to convince us we are less than Christ empowers us to be.

Spiritual Discipline

Facilitated by Michael Overton | January 7 – April 15 | Optional Materials Total \$23

The spiritual disciplines of the Christian faith are essential for the Christian to live a holy life and to display the power and joy of the Gospel to a lost world. This practical study will use two classics as resources, "The Spirit of the Disciplines" by Dallas Willard, and the "Celebration of Discipline" by Richard Foster.

The Story of the Bible by Chris Bruno

Facilitated by Dr. Mike Watson | January 7 - February 26 | Optional Material \$10

This class will focus on the 16 pivotal verses in Scripture that outline the story that God is telling throughout His world. If you've wanted to understand how the Bible fits together or be able to share its truths with others more effectively, this study is a step in the right direction.

Family Discipleship

Facilitated by Missy Vestal | January 7 - February 18 | Optional Material \$23

Discipling your family can feel like an intimidating task, but it doesn't need to be overwhelming or complicated. Discipleship is something every parent can do, and we want to give you tools to help families in this effort. We will walk through the book Family Discipleship—which helps families develop a sustainable rhythm of gospel-centered discipleship focused in three key areas: time, moments, and milestones. Filled with suggestions, sample plans, and Scripture references, this book equips families to create a structure for your family as you raise your children in the love and fear of the Lord.
