

The best all-in-one cashless payment app for Catholic schools

NOW SUPPORTING SCHOOL FEES

KEY FEATURES

One app to securely process all payments

Combine many school payments in one app, such as school fees and services from third-party canteen operators, via a secure, safe and accredited platform.

Improve visibility and management

Comprehensive stock management features and detailed reporting help improve service, inventory control and resourcing.

Reduced admin and cash on campus

Save time and move towards a cash-free campus with 24/7 online app ordering and integrated Student ID Card payments.

Competitive pricing and ongoing support

Easy onboarding and all-inclusive pricing, plus ongoing Australian-based support for school staff and parents.

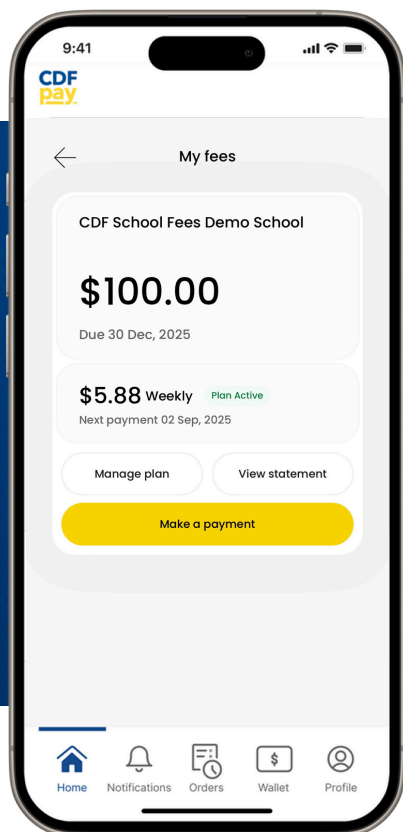

Designed for schools, parents and students

NEW FEATURE

Transform how your school manages fee payments

Make fee collection easier with CDFpay

CDFpay's new fee payment feature provides schools with fully automated fee processing and reconciliation, while offering parents and guardians 24/7 secure, online access to make or schedule a payment. Bring all your school payments into one convenient platform.

Automated payment processing with receipting and reconciliation for bank accounts and debit/credit cards

Seamless accommodation of ad hoc payments, new fees, and discount applications with real-time updates

Automatic recalculation of payment schedules when account parameters change

Flexible payment plan options including weekly, fortnightly or monthly schedule

On-demand modification of payment intervals to align with financial preferences

Comprehensive payee view displaying fees, charges, and three-year payment history
