

# ARGELITH CERAMIC TILES, INC.

## ARGELITH PRODUCTS PREVIOUSLY SUPPLIED FOR SELECT GENESIS PROJECTS

The products shown below have previously been supplied for select Genesis dealership projects. Their inclusion in this document does not indicate current approval, recommendation, endorsement, or specification by Genesis Motor America. Architects, dealers, contractors, and other project stakeholders must confirm all current Genesis facility requirements and obtain the necessary project-specific approvals before specifying or purchasing materials.

### Light Gray Fully Vitrified

Size (inch): 8" x 8"  
Size (mm): 198 x 198  
Thickness: 5/8"  
Workshop and Service Drive  
Surface: R10 or R11  
Optional matching cove base skirting

### Titan Gray Fully Vitrified

Size (inch): 8" x 8"  
Size (mm): 198 x 198  
Thickness: 5/8"  
Workshop and Service Drive  
Surface: R10 or R11  
Optional matching cove base skirting
